A brief explanation of the Ziyaarat al–Aale Yaasin, the profound and meaningful
.(salutation from Imam al–Mahdi (a.t.f.s

Preface

which means ‘to visit’. "زَوَّرَ" is an Arabic term derived from the root "زيارات" The word
In religious terminology, it implies our conversation with Allah’s sincere creatures and
His infallible proofs (a.s.), who are without parallel. They are those whom Allah, the
.High, has purified from all uncleanness and has created them pure, purified

Thus, whosoever desires to approach Allah, he should do so through the gates
determined by Him. Yes, the infallible Imams (a.s.) from the immaculate Ahlul Bayt
(a.s.) are the gates through whom Allah is approached. They are the medium towards
Him and hence, their recognition, their love and treading on their path is obligatory. All
.these are summarized in one thing i.e. ziyaarat

It is our creed that the souls of the holy Ahlul Bayt (a.s.) ascend towards the highest

heavens and are alive, receiving their sustenance (from their Lord). They look at us, hear our speech and reply to our salutations. As Ameerul Momineen (a.s.) narrates
,(from the Holy Prophet (S

”.Those who die among us, are not (actually) dead“

The belief of us Shias is contrary to that of the Wahhaabis who think that the Holy
Prophet (S) is

(غلات) dead and gone and is no longer effective in our lives. We are also against the who attribute divinity to Ameerul Momineen (a.s.)! Allah is Higher than what the unjust believe

We subscribe to the belief that Holy Prophet but the most superior of them all. He is followed by his successors, the Holy Imams (a.s.). In our time today, Imam Mahdi (a.t.f.s.), the Promised One, is his successor

So from among the etiquette of ziyaarat is that the one whose ziyaarat we are about to read, his recognition is a must. It is not possible for us to acquire the recognition of the Holy Prophet (S) or the infallible Imams (a.s.) through the faulty or inadequate faculties available to us humans. Just as an ant, in front of a huge mountain or a drop of water when compared to an ocean, are not worth a mention, we too when compared to these great personalities, are even more insignificant and miniscule than the ant or the drop of water. Then how is it possible that we describe or recognize them? Since only Allah the Almighty possesses their all-encompassing recognition, the only method to recognize them is through revelation. If we acquire any other mode of recognition, then indeed we will be among the seventy-two doomed sects

Then what is the solution? Now, the only way is to describe the sun from the characteristics of its tongue, the ocean from its reflection in the mirror and the height of a mountain from the

bird that flies over its top. Therefore, we should acquire the beliefs from these infallible and holy Imams (a.s.) so that we neither become like the Wahhabis nor (غلات) become like the exaggerators

,We also believe that

By his (a.t.f.s.) blessing are the creatures sustained and through his existence, the ‘earth and the heavens are firmly established

We being among his flock and his guests must necessarily greet him every morning with our salutations. We must offer our greetings as taught unto us by the Ahlul Bayt (a.s.) and renew our allegiance with him (a.t.f.s.). We should seek from Allah the Almighty with a blazing heart that He hastens his noble reappearance. This is what he (a.t.f.s.) has ordered us to do when he says

And pray most for the hastening of the reappearance, for certainly, it is your ‘salvation

Since last many years, Association of Imam Mahdi (a.t.f.s.) has had the practice of introducing one supplication or ziyarat of the infallible Ahlul Bayt (a.s.) in the special issues of Al-Qaem al-Muntazar (a.s.). Approximately three years ago, we undertook the task of a brief explanation of the Ziyarat al-Aale Yaasin, the profound and meaningful salutation from Imam al-Mahdi (a.t.f.s.). Due to constraints of space, the explanation could not be published in one issue and as a result, had to be spread over three special issues of Shabaan al-Muazzam over a span of three years

Therefore, we decided to publish the entire explanation in a booklet for the benefit of our readers, of course, with minor

.changes and variations

We request our respected readers to provide us with their valuable and constructive suggestions to improve upon our efforts in the future. We hope the Almighty Allah, for the sake of His Hujjat (a.t.f.s.), accepts this humble offering

Finally, before starting to recite the Ziyaarat and its explanation, we go to our master, Imam al-Zamaana (a.t.f.s.) and plead with him

Master! The tears of the oppressed are waiting for someone to wipe their tears and console them

Master! The wounded, the amputated and the injured, victims of the atrocities of the modern superpowers, have lost all faith except in the miraculous touch of Yusuf al-Zahra

Master! The stifled cries of the orphans, the dry eyes of the widows and the bleeding hearts of the scholars, have only one hope. You

Master! The poor and the destitute lie hungry, sick and diseased. They don't expect (any solace, comfort and relief from anybody except the son of Fatemah (s.a

Master! Now even the sacred shrines of Karbala and Najaf, the shrines of your noble ancestors, are unsafe from the filthy designs of the present day Pharaohs

O Allah! Hasten the reappearance of our master, Imam Mahdi (a.t.f.s.) and enlist us amongst his companions and helpers)

!Aameen! Lord of the Worlds

Ziyaarat Aali –Yaasin, A Brief Commentary

The Chain of Narrators

Numerous Shia scholars of the highest stature have documented this Ziyaarat in their compilations and have vouched for its chain of narrators. Here, we shall outline the names of a few books wherein this Ziyaarat has been mentioned. (Being followers of we have taken a (حديث الكساء), the five infallibles (a.s.) from the Incident of the Cloak .similar number and have mentioned five references

Al-Ehtejaaj vol. ٢ p. ٣١٦-٣١٨ (١)

This is the oldest reference available for the Ziyaarat. The compiler of this invaluable work is the great traditionalist – Abu Mansoor Ahmed b. Ali b. Abi Talib Tabarsi (r.a.). This traditionalist of the ٤th century Hijri is considered to be one of the all-time great Shia scholars and teachers. Scholars of narrators (Ulama al-Rijaal) have spoken .highly of him for his greatness and piety

Behaarul Anwaar (٢)

The compiler of this Shiite Encyclopaedia needs no introduction. He is the pride of the Shiite world and one of its greatest traditionalists– Allamah Shaikh Muhammad Baqir Majlisi (r.a.) Considering the importance of Ziyaarate Aali –Yaasin, he has mentioned it :in ٣ places

(.of Imam al-Asr (a.t.f.s (توقيعات) i) vol. ٥٣, p. ١٧١-٧٣ under the Chapter of letters

ii) vol. ٩٤, p. ٥-٦ under the Chapter of Allah's remembrance and supplications

.iii) vol. ١٠٢, p. ٨١-٨٣ under the Chapter of Ziyaaraat

Fauze Akbar dar Tawassulate Imam al-Muntazar (a.t.f.s.) p. ٦٨-٧٠ (٣)

Hujjatul Islam Mirza Muhammad Baqir Faqih Eemaani (r.a.) is the compiler of this book. It

is noteworthy that he has mentioned this Ziyaarat right at the beginning before other
.Ziyaaraat

Takaaliful Anaam fi Ghaibatil Imam (a.t.f.s.) p. ۱۳۵-۳۸ (۴)

Sadrul Islam Hamadani (r.a.) has recorded this Ziyaarat in the ۲۵th duty during the
(غيبه) major occultation

Mafaatihul Jinaan (Urdu translation Allamah Zeeshan Haider Jawadi (r.a.) (۵)
Tanzeemul Makatib Lucknow edition) p. ۹۵۶-۹۵۹

The compiler of this momentous work is Shaikh Abbas al- Qummi (r.a.). The main narrator of this Ziyaarat is Abdullah b. Jafar (r.a.) [۲۴۰.A.H.-۳۰۰ A.H.].(۱) Shaikh Sadooq's (r.a.) father – Ali b. Baabwaiyh (r.a.), Muhammad b. Hasan (r.a.) (Shaikh Sadooq's (r.a.) teacher) and Muhammad b. Yaqoob Kulaini (r.a.) have reported this Ziyaarat along
(.with numerous other traditions from Abdullah b. Jafar (r.a

Given this list of illustrious personalities who have narrated this tradition, there
.remains no doubt about the authenticity of the chain of narrators

A Peculiar Feature of the Ziyaarat

A very exceptional trait of this Ziyaarat is that the instructor of this Ziyaarat is also its addressee, i.e. the one conveying salutation (salaam) and the one to whom the salutation is addressed is one and the same. Such ziyaaraat are indeed very few. Generally, Ziyaaraat are recorded from one infallible (a.s.) addressing another infallible (a.s.). For instance, Imam Sajjad (a.s.) has taught his Shias the Ziyaarat of Ameerul Momineen (a.s.) and Imam Jafar Sadiq (a.s.) introduced the Ziyaarat of the
(.martyrs of Karbala (r.a

About the introduction of Ziyaarat al-Aali -Yaasin, it is narrated that Janabe Himyari (r.a.), the narrator of this Ziyaarat, received a letter from Imam al-Asr (a.t.f.s.) in
which, he

,a.t.f.s.) first answered the queries asked. Then he wrote)

nor acknowledge His friends (ولايت) You (people) neither understand Allah's affair (Imams (a.s.)). The Imamis Allah's Perfect Wisdom but it has become futile to frighten the people with it. Salutations be upon us and upon Allah's pious servants. So, whenever you intend to turn your attention towards Allah through our mediation or ,wish to turn towards us then say as Allah has ordered

"سَلَامٌ عَلَى آلِ يَسٍ...."

We beseech Allah to give us the grace to convey the exegesis of this invaluable .(Ziyaarat to our readers (keeping brevity in mind

Verse ۱

۱. سَلَامٌ عَلَى آلِ يَسٍ

Salutation upon Aali Yaasin means salutations upon the progeny of the Holy Prophet (S). This opening salutation has great significance. For, this is a Ziyaarat related to Imam al- Zamana (a.t.f.s.) and all salutations after the opening one are addressed to him. Yet, Imam (a.t.f.s.) has commenced it by sending salutations upon all his family members. It is apparent that the opening salutation on the infallible progeny of the Holy Prophet (S) is derived from two Quranic verses. The first verse is derived from Surah Yasin, verse ۱

يس

The second verse is derived from Surah Saaffaat, verse ۱۳۰

سَلَامٌ عَلَى آلِ يَسٍ

Imam Jafar Sadiq (a.s.) was asked, 'O son of Allah's Prophet, what is the meaning of the divine word يس?

,He (a.s.) replied

إِسْمٌ مِنْ أَسْمَاءِ النَّبِيِّ وَ مَعْنَاهُ يَا سَامِعَ الْوَحْيِ

﴿It is a name from the Prophet's (S) names and implies, 'O hearer of revelation'﴾.﴿﴾

As far as verse ۱۳۰ of Surah Saaffaat is

p: ۸

Maanil Akhbaar by Shaikh Saduq (a.r.), p. ۲۲; Tafseer al-Burhaan by Sayed Haashim –۱
.Bahraani (a.r.), vol. ۲, p.۳

concerned, several Quranic exegeses and readers of the Holy Quran like Naafe', Abu
(is in reality Aali -Yaasin). (اليساسين) Aamir and Yaqoob have recited it as Aali -Yaasin

In addition to this, even traditions of the Ahlul Bayt (a.s.) support this explanation. For
instance, Imam Jafar Sadiq (a.s.) has narrated a tradition from his grandfather
Ameerul Momineen (a.s.) regarding the Quranic verse

يس مُحَمَّدٌ وَ نَحْنُ آلُ يَس

(Muhammad (S) is Yasin and we (Ahlul Bayt (a.s.)) are Aali -Yaasin. (2)

During the reign of the Abbaside Emperor a debate was organised between Imam
Ridha' (a.s.) and the scholars of the Ahlul Sunna vis-à-vis the excellence of the
,infallible Ahlul Bayt (a.s.). Imam Ridha' (a.s.) demanded

,Inform me about the saying of Allah, Mighty and Glorified be He'

Yaasin – By the Noble Quran – Surely, You (O Muhammad) are from the Messengers
(On the Right Path. (3)

'?Who is Yaasin in this verse

.The scholars replied: Yaasin is Muhammad (S), none doubts about it

,On this, Imam Ridha' (a.s.) exclaimed

Surely Allah – Mighty and Glorified Be He – has granted Muhammad and Ale
Muhammad a virtue, on account of this, the essence of which none can reach except
through his intellect. That is, Allah – Mighty and Glorified be He – has not send
salutations on anybody except the Prophets (a.s.). Thus He – Blessed and High be He –
(says, 'Peace be on Nuh in the worlds.' (4)

and 'Peace be on Ibrahim' (5) and 'Peace be on Moosa and Haroon.' (6) But He did not
say, 'Peace be on the progeny

- Tafseer al-Abul Futooh, vol. ۹, p. ۳۳۸; Tafseer al-Majma-ul-Bayaan by Shaikh – ۱
.Tabarsi (a.r.) vol. ۸, p. ۴۵۶
.Tafseere Burhan, vol. ۲, p.۳۳ –۲
.Surah Yaasin (۳۶): Verses ۱-۳ –۳
.Surah Saaffaat (۳۷): Verse ۷۹ –۴
.Surah Saaffaat (۳۷): Verse ۱۰۹ –۵
.Surah Saaffaat (۳۷): Verse ۱۲۰ –۶

of Nuh' nor did he say, 'Peace be on the progeny of Ibrahim', nor did He say, 'Peace be on the progeny of Moosa and Haaron.' But He – Mighty and Glorified Be He – did say: 'Peace be on the progeny of Yaasin.' (۱) i.e. the progeny of Muhammad (S) (۲)

Revered commentators of the Ahlul Sunnah like Qurtubbi in his Tafseer (vol. ۱۵ p. ۱۱۹) and Aaloosi in Tafseer al-Ruhul Ma'ani (vol. ۲۳ p. ۱۴۲) too have advanced similar views

Verse ۲

point

۲. السَّلَامُ عَلَيْكَ يَا دَاعِيَ اللَّهِ وَرَبَّانِي آيَاتِهِ

Salutations upon you, O the caller of Allah and the nourisher of His Creation

The opening salutation is addressed specifically to Imam's (a.t.f.s.) holy and glorious existence. From among his innumerable attributes, we find two attributes highlighted in the first salutation

A) Caller of Allah

يَا دَاعِيَ اللَّهِ

B) Nourisher of His Sign

وَرَبَّانِي آيَاتِهِ

according to Arabic grammar) and means – (فاعل) is a Subject (داعِيَ) The first attribute the one who calls or invites. Over here it means that Imam az-Zaman (a.t.f.s.) invites the people towards Allah

The Significant Position of Inviting towards Allah

The opening salutation of this Ziyaarat mentions inviting towards Allah. This is from among the exalted attributes of Imam al-Asr (a.t.f.s.) that right from ۲۶۰ A.H. till date and from today till the day of his reappearance, he has and will continue to Salutations upon you, O the caller of Allah and the persistently and tirelessly invite the people

.towards Allah

Marhoom Turaihi (رَبَّيَانِي). The other attribute highlighted in the opening salutation is (رَبَّانِي) (a.r.) writes that in Tafseer al-Kashshaaf of Zamakhshari, the word

p: ۱۰

.Surah Saaffaat (۳۷): Verse ۱۳۰ – ۱

Behaarul Anwaar, vol. ۲۳, p. ۱۶۷, H. ۱, narrating from Oyoon-o- Akhbaar al Ridha', – ۲
.p.۱۳۱

refers to the one who is firmly attached to religion and his obedience to Allah is firm is defined as one who worships Allah with recognition. (رَبَّانِي), and intense. In Qamoos Tabarsi (a.r.) writes that the one who improves and regulates the affairs of the people This is also supported by the tradition (رَبَّانِي) is called as

لَا عِلْمَ إِلَّا مِنْ عَالِمِ رَبَّانِيٍّ

“There is no knowledge except from the divine scholar.” (1)

In view of the above explanation, the first line of the Ziyaarat can be read as, ‘Salutation upon you who invites towards Allah’s Religion and who himself is Allah’s Religion. Your obedience is tantamount to divine obedience. Salutation upon you, the one who improves and regulates the affairs of Allah’s creatures.’ Allah, Glorified be He, has delegated the regulation of all His creatures to His cherished one – Muhammad Mustafa (S) and his infallible family – the Ahlul Bayt (a.s.). Today our Imam – Hazrat Wali al-Asr (a.t.f.s.) is the representative of this family and has been entrusted with this all-important responsibility

Verse ۳

۳. السَّلَامُ عَلَيْكَ يَا بَابَ اللَّهِ وَدَيَانَ دِينِهِ

."Salutation upon you, O Allah’s Door and the regulator and governor of His Religion"

Like the previous salutation, this salutation also embraces two attributes. The first is ‘Allah’s Door’ and this attribute is indeed very popular and finds mention in several Ziyaaraat. In traditions, the Ahlul Bayt (a.s.) are referred to as ‘Allah’s Door’. For instance, Imam Jafar Sadiq (a.s.) informs

الْأَوْصِيَاءُ هُمْ أَبْوَابُ اللَّهِ عَزَّ وَجَلَّ لِيُؤْتِي مِنْهَا وَلَوْلَاهُمْ مَا عُرِفَ اللَّهُ عَزَّ وَجَلَّ وَبِهِمْ

p: ۱۱

اِحْتَجَّ اللهُ تَبَارَكَ وَتَعَالَى عَلَى خَلْقِهِ

The Holy Prophet's (S) successors are the 'Doors of Allah' through which He can be accessed. If they were not there, Allah the Almighty would not have been recognized. Through them, Allah the Almighty has completed His arguments against His [creatures.](#)'(1)

Imam Muhammad Baqir (a.s.) declares

نَحْنُ حُجَّةُ اللهِ ، وَنَحْنُ بَابُ اللهِ

'(2) We are Allah's Proofs and Allah's Door.

:In Duae Nudbah, which is associated with Imam (a.t.f.s.) himself, we address him

اَيْنَ بَابُ اللهِ الَّذِي مِنْهُ يُوتَى

'?Where is Allah's Door, through which He is accessed'

means door or gate. However, this by no means, (باب) ?(باب) What is the meaning of implies that Allah resides in an abode, the door of which is Ahlul Bayt (a.s.). To dispel such misleading notions, it is necessary that we first understand some peculiarities about a door. Take the door of any house or garden. What is the function and purpose ?of the door

The primary and most critical function of the door is to allow access to the house or garden and to that extent it is unique. Of course, a person can still jump the wall or sneak inside through the window, but that is not in keeping with the norms of a cultured society and any rational person will disapprove of such uncivilized behaviour.

.The Islamic Shariat and intellect have condemned this in no uncertain terms

The renowned commentator on the Holy Quran belonging to the Ahlul Sunnah – Hafiz Jalaluddin Suyuti narrates, 'Once the second caliph, Umar b. Khattab, was on his famous

.Tafseer al- Burhaan vol. ۱, p. ۱۹۰ –۱

.Ibid –۲

night strolls. Suddenly he heard some strange sounds from a house, which aroused his suspicions. He went to the periphery of the house and seeing no way to enter it jumped the wall

Inside the house, he was surprised to see a man, drinking wine and seated with a woman in a compromising position. The caliph exclaimed, ‘O Allah’s enemy! Do you really believe that your disobedience is concealed from Him?’ The man, though drunk, shot back instantly, ‘O Amirul Momineen

Don’t act in haste. If I have committed one sin, you are guilty of perpetrating three major sins. Allah commands
(1) ... ‘and do not spy’

,And you have disobeyed him by spying (on me). Allah commands
(2) ... ‘and go into the houses by their doors’

,While you have jumped the wall. Allah commands

(3) ‘Do not enter the houses until you are acquainted and saluted their inmates’

(4) ‘While you have neither sought permission nor saluted us.’

It is in conformity with etiquette and intellect that man enters a garden, house or a city through their doors

and (دَيَّانَ) What is the meaning of ((وَدَيَّانَ دِينَهُ)). The other term used in the salutation is (دَيَّانَ), Tabarsi (r.a.) records why is Imam al-Asr (a.t.f.s.) being referred to as among the titles of Allah. It means dominant, ruler and judge. In the Holy Prophet’s (S) :praise and eulogy, he says

يَا سَيِّدَ النَّاسِ وَ دَيَّانَ الْعَرَبِ

O leader of men and the ruler (or judge or dominator) of the Arabs.’ Likewise traditions declare

كَانَ عَلِيٌّ دِيَانَ هَذِهِ الْأُمَّةِ بَعْدَ نَبِيِّهَا

It is evident that the entire progeny of the Prophet (S) also possesses these merits and can be ascribed with them (and this fact is highlighted in several Ziyaaraat). In this era, Imam al-Asr (a.t.f.s.) is the sole representative of the Prophet's infallible progeny (a.s.) and by virtue of this, he is the sole possessor of these merits

Verse ۴

۴. السَّلَامُ عَلَيْكَ يَا خَلِيفَةَ اللَّهِ وَنَاصِرَ حَقِّهِ

Salutations upon you, O Caliph of Allah and the Helper (in the way) of His Right

This salutation also highlights two vital attributes – Allah's Caliphate and the support of His Right. In Arabic terminology, a caliph has been described as

مَنْ يَخْلُفُ غَيْرَهُ وَ يَقُومُ مَقَامَهُ وَ السُّلْطَانُ الْأَعْظَمُ وَ فِي الشَّرْعِ: الْإِمَامُ الَّذِي لَيْسَ فَوْقَهُ أَمَامٌ (أَقْرَبُ الْمَوَارِدِ, مَا دَهُ خَلْفٌ)

Caliph is the successor of another and the one appointed by him. That is why a king is 'referred to as a Caliph

According to the Islamic Shariat, the caliph is the Imam, and he is matchless in his superiority and supremacy

In the current era, Imam al-Asr (a.t.f.s.) is the Imam and the sole claimant to the exalted and lofty status of Imamate. He is the dominant and supreme king, in front of whom, even Hazrat Dawood (a.s.) and Hazrat Sulaiman (a.s.) with all the embellishments of their monarchies, appear small and miniscule. He is the true Caliph and Guide, who is unchallenged in his caliphate and guidance

In this regard, Hafiz Muhammad b. Yusuf Ganji Shafei', the illustrious

Sunni scholar, has recorded a pertinent tradition in his compilation ‘Al Bayaan fi
(Akhbaar al- Sahibiz Zaman (a.t.f.s.) (Chapter ١٥

يَخْرُجُ الْمَهْدِيُّ وَعَلَى رَأْسِهِ عِمَامَةٌ فِيهَا مُنَادٍ يُنَادِي: أَلَا إِنَّ هَذَا الْمَهْدِيُّ خَلِيفَةُ اللَّهِ فَاتَّبِعُوهُ

Mahdi shall reappear while there will be a cloud hovering over him. From within it, an
'announcer shall announce – This is Mahdi, Allah's Caliph, so obey him

وَنَاصِرَ حَقِّهِ

This is the second important attribute underlined in this salutation. While it's true that all prophets (a.s.) and successors (a.s.) were helpers of the divine cause, it is noteworthy that Imam al-Asr (a.t.f.s.) has been specially preserved for this motive. In (حَقِّهِ حَقِّهِ) order to appreciate this point, it is necessary that we understand the word (means His (Allah's) Right. Imam (a.t.f.s.) is the helper of Allah's right (i.e. His cause

What is Allah's right? The fourth Imam – Imam Zainul Abedeen (a.s.) explains Allah's
'right in the very beginning of his compilation ‘Risaalatul Huquq

فَأَمَّا حَقُّ اللَّهِ الْأَكْبَرُ عَلَيْكَ فَأَنْ تَعْبُدُوهُ لَا تَشْرِكُ بِهِ شَيْئًا

The greatest right that Allah, the Almighty, enjoys upon you is that you worship only
(Him and do not associate partners with Him.’ (1)

As explained by Imam (a.s.), Allah's right upon His Creatures is the belief in monotheism. It means that we should worship only Him and not set up partners for Him. As we have mentioned earlier, this is the objective with which all prophets (a.s.) and messengers (a.s.) were raised. However, none could accomplish complete (success in this regard. For instance, Hazrat Nuh (a.s

:propagated for ۹۵۰ years, but despite his massive efforts, the Holy Quran says

وَمَا آمَنَ مَعَهُ إِلَّا قَلِيلٌ

“(And none believed with him (Nuh) but a few.”) (۱)

:However, while prophesizing about Imam al-Asr’s (a.t.f.s.) advent, Allah says

يَعْبُدُونَنِي لَا يُشْرِكُونَ بِي شَيْئًا

‘...’ (۲) (they shall serve Me, not associating aught with Me...’)

In this momentous endeavour, Allah, Himself, shall help Imam (a.t.f.s.) through His angels. In Dua al-Iftetaah, Imam (a.t.f.s.) espouses this fact

اللَّهُمَّ اعِزَّهُ وَاعْزِزْ بِهِ ، وَانصُرْهُ وَانْتَصِرْ بِهِ ، وَانصُرْهُ نَصْرًا عَزِيزًا ، وَافْتَحْ لَهُ فَتْحًا يَسِيرًا ، وَاجْعَلْ لَهُ مِنْ لَدُنْكَ سُلْطَانًا نَصِيرًا

O Allah! Honour him (Imam (a.t.f.s.)) and through him honour us. Help him and through him help us avenge our enemies. Help him with a mighty helping and grant him an easy victory. And arrange from Your side a dominating and overwhelming

(support for him.) (۳)

Verse ۵

۵. السَّلَامُ عَلَيْكَ يَا حُجَّةَ اللَّهِ وَدَلِيلَ إِرَادَتِهِ

‘Salutations upon you, O Allah’s Proof and the indicator towards His intention’

Imam’s (a.t.f.s.) brilliant personality is Allah’s most magnificent proof and argument on the earth. Allah shall complete His argument upon His creatures through Imam (a.t.f.s.) and the creatures shall witness Allah’s argument through the persona of Imam (a.t.f.s.). This means that if a person cannot recognize His Creator through the mediation of Imam (a.t.f.s.), he will never arrive at the truth and all his attempts in this regard will prove futile

Hakimah Khaatoon (r.a.), the daughter of Imam Muhammad Taqi (a.s.), informs, ‘As soon as Imam az-Zaman (a.t.f.s.) stepped into this world, he immediately fell in

جَاءَ الْحَقُّ وَزَهَقَ الْبَاطِلُ

‘Truth has come and falsehood vanished.’⁽¹⁾

I took the infant in my arms and carried him over to his father Imam Hasan Askari (a.s.). Imam (a.s.) ran his fingers lovingly across the head of his beloved son and urged

تَكَلَّمْ يَا حُجَّهَ اللَّهِ وَبَقِيَّةَ الْأَنْبِيَاءِ وَخَاتَمَ الْأَوْصِيَاءِ وَصَاحِبَ الْكَرَّةِ الْبَيْضَاءِ وَالْمِضْبَاحِ مِنَ الْبَحْرِ الْعَمِيقِ الشَّدِيدِ الضِّيَاءِ، تَكَلَّمْ يَا خَلِيفَةَ الْأَتْقِيَاءِ وَنُورِ الْأَوْصِيَاءِ

Speak up O Allah’s Proof and the remnant of the past prophets, O the seal of successors, O restorer of brilliance and light to the deep ocean, speak up, O Caliph of the Pious Ones and the Light of the Successors

Later, again we see Imam Hasan Askari (a.s.) giving glad tidings to Imam (a.t.f.s.) at noon when the latter was offering water to his father for ablutions

أَبَشِّرْ يَا مَبْنِيَّ فَإِنَّتَ صَاحِبُ الزَّمَانِ، وَأَنْتَ الْمَهْدِيُّ وَأَنْتَ حُجَّهَ اللَّهِ عَلَى أَرْضِهِ وَأَنْتَ وُلْدِي وَوَصِيِّي

O my son, I give you glad tidings that you are the Master of the Age, you are the ‘Mahdi, you are Allah’s Proof on the earth, you are my son and my successor...’⁽²⁾

Another significant fact revealed in this salutation is

وَدَلِيلَ إِرَادَتِهِ

,This can be read as

‘Salutations on the one who signifies Allah’s Intention’

Indeed Imam’s (a.t.f.s.) glorious existence is a proof and indicator of Allah’s Intention. Before deliberating on the proof of intention, it is necessary first to understand the meaning of Allah’s Intention. Allah’s Intention has two aspects the World of Creation and the (عالم تكويني)

.Surah Bani Israel (١٧): Verse ٨١ –١
.Al-Ghaibat by Shaikh Tusi (r.a.) p. ١٤٥ –٢

World of Action (عالم تشريعي).

Allah's Intention implies His Creation like earth, sky, sun, moon, etc. (عالم تكويني), In In Aalam al-(فَيَكُونُ) 'and 'It is (كُنْ)'Allah only has to say 'Be (عالم تكويني) Regarding Tashreei, Allah's Intention is His Commands and Prohibitions that He has defined for his creatures.

In the light of the above explanation, when we reflect upon Imam's (a.t.f.s.) attribute of being a pointer towards Allah's Intention, we realise that he guides us towards both every creation points towards Allah's Intention (عالم تكويني) these worlds. In

However, Imam's (a.t.f.s.) wonderful existence is the best pointer towards Allah's Intention taking precedence over all other creation. This is because, if it weren't for the Holy Prophet (S) and his infallible progeny (a.s.), there would not have been earth, sky, Chair, Throne, jinn, men, etc. nay rather nothing would have existed at all

Allah Himself declares

لَوْلَاكَ لَمَا خَلَقْتُ الْأَفْلاكَ

'O Prophet, but for you, I would not have created the world'

إِنِّي مَا خَلَقْتُ سَمَاءً مَبْنِيَّةً وَلَا أَرْضاً مَدْحِيَّةً وَلَا قَمَراً مُنِيراً وَلَا شَمْساً مُضِيئَةً...إِلَّا فِي مَحَبَّةِ هَؤُلَاءِ الْخَمْسَةِ الَّذِينَ هُمْ تَحْتَ الْكِسَاءِ

Surely I (Allah) did not create the elevated sky, the expansive earth, the brilliant sun...but for the sake and for the love of these five persons, who are inside the (cloak." (1)

Moreover, Allah conveys His Intention to His creatures through Imam al-Asr (a.t.f.s.). Imam Sadiq (a.s.) while instructing the Shias about the Ziyaarat of Imam Husain (a.s.) declares

إِرَادَةُ الرَّبِّ فِي مَقَادِيرِ أُمُورِهِ تَهْبِطُ إِلَيْكُمْ وَتَصْدُرُ مِنْ بَيْتِكُمْ

O Ahlul Bayt!) Allah's intention in the destinies of His)"

affairs descends on you and emanates from your houses.” (1)

,In another tradition, Imam Ali Naqi (a.s.) informs

إِنَّ اللَّهَ جَعَلَ قُلُوبَ الْأَئِمَّةِ مَوْرِدًا لِإِرَادَتِهِ فَإِذَا شَاءَ اللَّهُ شَيْئًا شَأْوُوهُ وَهُوَ قَوْلُ اللَّهِ وَمَا تَشَأُوْنَ إِلَّا أَنْ يَشَاءَ اللَّهُ

Surely Allah has made the hearts of the Imams as a place for His intention’s descent.“ Thus, whenever Allah intends a thing, they too intend the same and this is the meaning of the verse, ‘And you intend not (a thing) but that Allah intends (it).’ (2)

,In yet another tradition, Imam Sadiq (a.s.) declares

إِنَّ الْإِمَامَ وَكَرَّرَ لِإِرَادَةِ اللَّهِ عَزَّ وَجَلَّ

‘Surely the Imam is the nest for Allah’s (Mighty and Glorified be He) intention.’ (3)

,In another tradition, Imam Ali Naqi (a.s.) informs

an Imam is the best guide towards Allah’s commands and (عالم تشريعي), As for prohibitions. In other words, there is none in the world, who can comprehend Allah’s laws better than the Imam or perform them in a manner more appropriate than him. Hence, if any one desires to see as to which type of worship includes Allah’s satisfaction, he must look at Imam and attempt to imitate him to the best of his abilities

Verse 6

٦. السَّلَامُ عَلَيْكَ يَا تَالِيَّ كِتَابِ اللَّهِ وَتَرْجُمَانَهُ

Salutation upon you, O the reciter of Allah’s Book and its interpreter

Like the previous statement, this is also a salutation on two entities. However, unlike the previous salutation, the entity in question is one and the same – the Holy Quran.

Or to be precise it deals with the two Qurans – the Silent Quran (the book

Furu' al-Kafi by Shaikh Muhammad Ibn Yaqub al-Kulayni (a.r.), Kitabul Hajj, The – ۱

itself) and the Speaking Quran (Imam al-Asr (a.t.f.s.)) and highlights the cohesive and durable bond between the two. Indeed, the two shall always remain united in this world until they meet the Holy Prophet (S) in the hereafter. The renowned prophetic tradition underlines this fact

إِنِّي تَارِكٌ فِيكُمْ الثَّقَلَيْنِ كِتَابَ اللَّهِ عَزَّ وَجَلَّ، وَعِترَتِي أَهْلَ بَيْتِي مَا إِنْ تَمَسَّكُمْ بِهِمَا لَنْ تَضِلُّوا بَعْدِي أَبَدًا فَإِنَّهُمَا لَنْ يَفْرَقَا حَتَّى يَرِدَا عَلَيَّ الْحَوْضَ

I am leaving behind in your midst, two weighty things: the Book of Allah and my progeny. If you fasten to them, you will never be led astray after me and these two of Kawthar (حوض) shall not separate from each other till they meet me at the pond

Traditions like this or with similar implications are aplenty. These are recorded by the Ahlul Sunnah and Shia scholars and are deemed authentic and reliable by them. In view of the tradition mentioned above, it is evident that every age has a representative of the Prophet's (S) progeny and in this era, Hazrat Wali al-Asr (a.t.f.s.) holds this esteemed position

Imam Muhammad Baqir (a.s.) warns Amr b. Ubaid

فَإِنَّمَا عَلَى النَّاسِ أَنْ يَقْرُؤُوا الْقُرْآنَ كَمَا أَنْزَلَ فَإِذَا احتَاجُوا إِلَى تَفْسِيرِهِ فَالِاهْتِدَاءُ بِنَا وَإِلَيْنَا يَا عَمْرُو

Verse ۸

۸. السَّلَامُ عَلَيْكَ يَا بَقِيَّةَ اللَّهِ فِي أَرْضِهِ

Salutation upon the Remnant of Allah in His earth

Over here, Imam (a.t.f.s.) has been addressed with the renowned title that finds a
.mention in the Holy Quran

بَقِيَّتُ اللَّهِ خَيْرٌ لَكُمْ إِنْ كُنْتُمْ مُؤْمِنِينَ

‘(Surely the remnant of Allah is good for you if you are believers.)’

has several meanings. However, for brevity we have delved only on (بقية) The word
.one meaning which is relevant to our discussion over here

بَقِيَ مِنْهُ: تَرَكَ بَعْضُهُ

.i.e. some of it's part is left

This means that Imam al-Asr (a.t.f.s.) is the last link preserved by Allah in His chain of
.Prophets (a.s.) and their successors (a.s.) sent for mankind's guidance

.This is also the meaning used in Ziyaaraat and supplications

السَّلَامُ عَلَيْكَ يَا بَقِيَّةَ مَنْ أَوْلِيَائِهِ وَحُجَجِهِ

‘(Salutation upon the Remnant of Allah, from His Friends and His Proofs.)’

was the title of even the previous Imams (a.s.). However, it is used more (بقية الله)

.specifically for Imam al-Asr (a.t.f.s.). The following tradition underscores this fact

A denier of the Holy Quran approached Ameerul Momineen (a.s.) and asked him, ‘I have read in the Quran, ‘the Remnant of Allah is better for you.’ Who is this Remnant of Allah

after a period of intense examination. He shall then fill the earth with justice and equity as it would have been filled with tyranny and injustice. Among his signs are occultation and a concealed lifestyle. At that time, rebellion and upheavals will be [common and the fire of vengeance will be stoking strongly among the people.](#)'⁽¹⁾

When Imam Hasan Askari (a.s.) introduced Ahmed b. Ishaq (r.a.) to Imam az-Zaman (a.t.f.s.) while he was still an infant, Imam (a.t.f.s.) declared to Ahmed b. Ishaq (r.a.)

أَنَا بَقِيَّةُ اللَّهِ فِي أَرْضِهِ

'I am the Remnant of Allah on His earth'

This is the very statement that Imam (a.t.f.s.) shall proclaim on his reappearance. Imam (a.t.f.s.) shall be sighted first in the precincts of the Holy Kabaa where while leaning against the sacred monument. Kabaa, he shall recite the above statement

Verse 9

٩. السَّلَامُ عَلَيْكَ يَا مِيثَاقَ اللَّهِ الَّذِي أَخَذَهُ وَوَكَّدَهُ

.Salutations upon you O Allah's Covenant that he has taken and emphasized upon it

:The poet has depicted this thus

بَقِيَّةُ اللَّهِ وَصَفْوَةُ الرَّسُولِ

وَنُجَبَاهِلِ وَجُودِ مَا شِئْتَ فَقُولِ

The remnant of Allah and the existents, say as you please

The selected among the chosen one of messengers

the world) (عالم الذر) means pledge and allegiance. Reliable traditions reveal that in (ميثاق) that preceded this material world and roughly translated as 'the world of particles', Allah had taken the pledge from the Shias with regards to the mastership of the infallible Imams (a.s.) of the Ahlul Bayt (a.s.). That is why in this Ziyaarat we refer to Imam al-Asr (a.t.f.s.) as 'Allah's Covenant'. Imam

a.t.f.s.) is the covenant on which Allah has put a lot of stress and emphasis for His
.creatures

they were (ذر) when all the creatures were present in the form of particles (عالم الذر), In
made to affirm the pledge regarding Allah's divinity, the Holy Prophet's (S)
prophethood and Ameerul Momineen's (a.s.) mastership. However, when the
creatures were examined in this matter with complete free will and without any
.compulsion, most of them were unsuccessful and failed to affirm the allegiance

After this triple allegiance (divinity, prophethood and mastership), Allah questioned
the creatures regarding Imam al-Asr's (a.t.f.s.) occultation and reappearance, in
which, even more creatures were unsuccessful and failed to affirm the pledge
.regarding Imam al-Asr's (a.t.f.s.) occultation and reappearance

Therefore, this pledge has become a subject of divine emphasis. It is this very
covenant, the affirmation of which made some prophets (a.s.) reach the exalted
(أولو العظم), station of 'firm in determination (in preference over other prophets (a.s.).

In this aspect, Imam Muhammad Baqir (a.s.) declares

وَأَخَذَ الْمِيثَاقَ عَلَى أُولَى الْعَزْمِ أَنَّنِي رَبُّكُمْ وَمُحَمَّدٌ رَسُولِي وَعَلِيٌّ أَمِيرُ الْمُؤْمِنِينَ وَأَوْصِيَاؤُهُ مِنْ بَعْدِهِ وُلاَهُ أَمْرِي وَخُزَّانُ عِلْمِي، وَ أَنَّ
الْمَهْدِيَّ أَنْتَصِرُ بِهِ لِدِينِي وَأُظْهِرُ بِهِ دَوْلَتِي وَأَنْتَقِمَ بِهِ مِنْ أَعْدَائِي وَأُعْبُدُ بِهِ طَوْعًا وَكَرْهًا...

Prophets (a.s.): I am your Lord, (أولو الزم), Allah has taken this pledge even from the
Muhammad (S) is My Prophet, Ali (a.s.) and his infallible sons (a.s.) are the masters and
treasurers of My affair. I will most certainly help My religion through Mahdi and
through him My government will

prevail. Through him, I will avenge My enemies and through him all will submit to My

Prophets (a.s.) have testified to the fact (أولو العزم) As is evident from the tradition, all the
in Aalam al-Zarr that religion will be helped by and attain deliverance through Imam

Verse 10

١٠. السَّلَامُ عَلَيْكَ يَا وَعْدَ اللَّهِ الَّذِي ضَمِنَهُ

Salutation upon you, O Allah's Promise regarding which He has given His Assurance

In several supplications and Ziyaraat, Imam (a.t.f.s.) has been referred to as the
'Promised One' and this is a fairly common title. A distinctiveness of Ziyaarat al-Aali –
Yaasin is that Imam (a.t.f.s.) over here has been addressed as 'Allah's Promise', a
promise that has been endorsed further by a divine assurance. Perhaps, Imam
(a.t.f.s.) has been referred to as a Promise, because of the hopes and expectations
behind his promised advent. In fact, the word Promise only evokes Imam's (a.t.f.s.)
:remembrance and mention as is evident in Surah Maryam

حَتَّىٰ إِذَا رَأَوْا مَا يُوعَدُونَ

﴿Till they see what they had been promised.﴾⁽²⁾

,Under the exegesis of this verse, Imam Jafar Sadiq (a.s.) reveals

فَهُوَ خُرُوجُ الْقَائِمِ

﴿Here the Promise refers to the advent of Qaim (a.t.f.s.).﴾⁽³⁾

.Likewise, readers can refer to other Quranic verses like Surah Nur: ٥٥

Another noteworthy point on the subject of promise is that Allah never reneges on His
Promise. When it comes to honouring one's word and abiding by a promise, indeed

Certainly none! Allah's promise itself is sufficient for any event to occur. Then, what

Verse 11

11. السَّلَامُ عَلَيْكَ أَيُّهَا الْعَلَمُ الْمَنْصُوبُ

.Salutation upon you, O Master of the Raised Standard

Over here, Hazrat Baqiatullah (a.t.f.s.), has been referred to as the ‘Raised Standard’. It is possible that the term – Raised Standard over here isn’t used alone, rather a word ‘Master’ is concealed before it. So this verse should have read as

السَّلَامُ عَلَيْكَ يَا صَاحِبَ الْعَلَمِ الْمَنْصُوبِ

In the light of this arrangement, the translation of this verse will now read as

.Salutation upon you, O Master of the Raised Standard

This verse alludes to the Raised Standard that will unfurl in all its glory on Imam’s (a.t.f.s.) reappearance and will serve as a sign to the people of Imam’s (a.t.f.s.)
.veracity

The respected scholar of Al-Abqari al-Hesaan writes, ‘When Imam’s (a.t.f.s.) reappearance draws near, his standard shall start unfurling on its own, without

anyone's intervention. Then Allah shall bestow the power of speech to this standard, (which shall exclaim – O Allah's Servant, reappear now and destroy Allah's Enemies.' (1)

Imam az-Zaman (a.t.f.s.) will have with him three standards. On one of them shall be :inscribed

الْيَوْمَ أَكْمَلْتُ لَكُمْ دِينَكُمْ وَأَتَمَمْتُ عَلَيْكُمْ نِعْمَتِي وَرَضِيْتُ لَكُمُ الْإِسْلَامَ دِينًا

This day have I perfected for you your religion and completed My favor on you and... (chosen for you Islam as a religion...' (2)

:On the second standard shall be written

يُوفُونَ بِالنَّذْرِ وَيَخَافُونَ يَوْمًا كَانَ شَرُّهُ مُسْتَطِيرًا

(They fulfill vows and fear a day the evil of which shall be spreading far and wide.' (3)

:The third standard shall be adorned with the words

لَا إِلَهَ إِلَّا اللَّهُ مُحَمَّدٌ رَسُولُ اللَّهِ عَلِيُّ وَلِيُّ اللَّهِ وَخَلِيفَتُهُ الْحَسَنُ وَالحُسَيْنُ وَالتَّسْعَةُ مِنْ وُلْدِ الحُسَيْنِ أَوْصِيَاءُهُ

There is no God except Allah. Muhammad (S) is His Messenger. Ali (a.s.) is His Slave and His Caliph. Hasan (a.s.) and Husain (a.s.) and the nine sons from Husain's (a.s.) (progeny are His Successors.' (4)

:Imam Sadiq (a.s.) informs

Imam az-Zaman's (a.t.f.s.) standard is a unique flag – the very flag which Hazrat Jibrail (a.s.) brought during the battle of Badr and entrusted to the Holy Prophet (S). This is the very flag that Ameerul Mo'mineen (a.s.) had unfurled during the Battle of Jamal and which resulted in his triumph. After this he wrapped up the flag and handed it over to his son, Imam Hasan Mujtaba (a.s.). In this manner the flag was passed on from one Imam (a.s.) to another as a

Verse ۱۲

۱۲. وَالْعِلْمُ الْمَصْبُوبُ

...Salutation upon you), O overflowing knowledge)

which means to overflow or to (صَبَّ) and is made from (اسم مفعول) is (مصبوب), The word .pour out

Like the earlier statements, this statement also throws up two possibilities. One possibility could be that Imam az-Zaman (a.t.f.s.) is the possessor of overflowing knowledge and the other is that Imam's (a.t.f.s.) personality is overflowing with knowledge. At this stage, my pen confesses its helplessness in describing 'absolute .'knowledge

For how can 'the overflowing ignorance' have the audacity to elucidate the reality of 'the overflowing knowledge'? Indeed this is only possible if we restrict ourselves to the .'traditions of the infallibles (a.s.) to unravel the reality of 'the overflowing knowledge

In this regard let us cast a glance at the traditions, supplications and Ziyaraat related to Imam az-Zaman (a.t.f.s.). (Readers are requested to read the following lines with (rapt attention

السَّلَامُ عَلَيْكَ يَا وَارِثَ كَنْزِ الْعُلُومِ الْإِلَهِيَّةِ

:In the same supplication, we address Imam (a.t.f.s.) further

يَا ابْنَ الْعُلُومِ الْكَامِلَةِ

’O son of the complete sciences’

:Imam Muhammad Baqir (a.s.), the splitter of prophetic sciences, informs us

إِنَّ الْعِلْمَ بِكِتَابِ اللَّهِ وَسُنَنِ نَبِيِّهِ يُنْبِتُ فِي قَلْبِ مَهْدِينَا كَمَا يُنْبِتُ الزَّرْعُ عَلَى أَحْسَنِ نَبَاتِهِ

Surely the knowledge of Allah’s Book (Quran) and the traditions of his Prophet (S)’ [\(grows in the heart of our Mahdi just like crops grow in the best place of vegetation.’\[\\(3\\)\]\(#\)](#)

We have mentioned only a few instances of traditions to give readers an idea about ‘the overflowing knowledge’. Indeed the actual number is innumerable and will overwhelm the reader like the boundless ocean amazes the onlooker at the shore. The dawn of reappearance is still away. Imam (a.t.f.s.) is still awaiting those trusted and upright companions who will help him establish the objectives of reappearance ‘and will be the subject of Imam’s (a.t.f.s.) limitless affection and benefaction

The overflowing knowledge’ is sealed in the holy personality of Imam (a.t.f.s.). The brilliance of his knowledge is beyond the gloom of darkness and cannot be

overwhelmed by it. In fact, this knowledge is too high

for our thoughts to comprehend. Our imagination fails to grasp the reality of this
.knowledge

Consider that ۱۲۴,۰۰۰ prophets (a.s.) have been raised by Allah, who collectively have informed us of only ۲ alphabets of knowledge. When Imam (a.t.f.s.) reappears he will
.unfold the remaining ۲۵ alphabets

!Glory be to Allah

All praise be to the Great Maker, the Comprehensive Power and Creator who has bestowed His Slave with this knowledge. The light of Imam's essence illumines the heavens and the earth. Indeed, we confess our helplessness in grasping this reality.

:From the depth of our hearts, we summon all our strength and insight and proclaim

السَّلَامُ عَلَيْكَ أَيُّهَا الْعَلَمُ الْمَنْصُوبُ وَالْعِلْمُ الْمَضْبُوبُ

'Salutation upon you, O Raised Standard and the overflowing knowledge'

It is worth noting that the past prophets (a.s.) did not disclose all their knowledge to their nations. They informed them of only a little and if they did reveal a fraction of the treasure houses of their knowledge, it was to their special and trustworthy
.companions

Traditions testify to the fact that throughout his lifetime the Holy Prophet (S) never addressed his companions with his ultimate and perfect intellect. This complete and
.(perfect intellect knowledge of the Holy Prophet (S) is only with the infallibles (a.s

The divine secrets and knowledge with which the Holy Prophet (S) was blessed, got transferred from one Imam (a.s.) to the other and now rests with Imam Mahdi (a.t.f.s.). In the time of Imam Mahdi's (a.t.f.s.) major occultation, the false and
erroneous knowledge

gained ascent. Imam (a.t.f.s.) discharged his responsibilities only with the two alphabets of knowledge that prevailed in the world. He is still informing the people of .only the two alphabets, the depth of which perplexes the mind

That is why when Imam (a.t.f.s.) blesses Muhammad b. Muhammad b. Noman (r.a.) with a portion of this knowledge, he becomes (Shaikh) Mufeed of the Islamic Shariat and its defender. When Imam (a.t.f.s.) bestows a small portion of this knowledge on Syed Raziuddin b. Taoos (r.a.), he becomes the protector and compiler of supplications .and Ziyaraat

When we see Imam (a.t.f.s.) gift a portion of this knowledge to Hasan b. Yusuf b. Mutahhar (r.a.), he transforms miraculously into Allamah Hilli (r.a.). When we observe Imam (a.t.f.s.) whisper a few words in the ears of Ahmed b. Muhammad Alifi (r.a.), he becomes the upholder of jurisprudence with insight and becomes Muqaddas- e- .Ardebali

Likewise in every era there are some pious and special personalities who have benefited from a drop of knowledge from Imam's (a.t.f.s.) boundless knowledge. And .with this small drop, they have scaled the peaks of wisdom and intelligence

Allah, the Almighty, bestows knowledge on Imam (a.t.f.s.). So Allah is, one who pours (knowledge) and Imam (a.t.f.s.) is the one overflowing with knowledge. Imam (a.t.f.s.) vhimself confers some drops of this knowledge on the Shias in which case he .(مَضْبُوبٌ) and the scholars are (صَابٌ) becomes

The third point that needs some emphasis is that at all times we should address the (Ahlul Bayt (a.s

with utmost humility and beseech them with raised hands, ‘O Master! We seek knowledge and wisdom only from you and reject everyone else.’ We should translate this claim into action and never desert Imam (a.t.f.s.) by approaching others for knowledge.

Verse ۱۳

۱۳. اَلْغُوْثُ

is an infinitive means help, succour, shelter and relief of the aggrieved. (غوٲ), In Arabic being used prolifically to denote (غياٲ / غوٲ) In supplications and Ziyaraat, we see Allah’s Names. For instance

يا غياٲى عِنْدَ كُرْبِيْ! يا غياٲَ الْمُسْتَعِيْثِيْنَ! يا غياٲَ مَنْ لاَ غياٲَ لَهُ!

O Resource in my neediness! O Rescuer of those who appeal! O Shield for the defenceless!

Of course the true and rightful shelter and succour is Allah, Himself at a fundamental level. However, as is the case with other divine traits, His Appointees (i.e. Prophets and Imams) are the perfect manifestation and the complete reflection of divine shelter and succour. Consequently, we see even the infallibles (a.s.) being addressed with the titles of (غوٲ) or (غياٲ).

For instance, in the Ziyaarat of Ameerul Mo’mineen (a.s.) on ۱۷th Rabbiul Awwal, which is narrated by Imam Jafar Sadiq (a.s.), we address Imam (a.s.)

اَلْسَّلَامُ عَلَیْكَ يا غياٲَ الْمُكْرُوْبِيْنَ

‘Salutations upon you, O shelter of the aggrieved and distressed.’

This is the Ziyarat that Imam (a.s.) instructed his trusted companion – Muhammad b. Muslim (r.a)

This trait has also been associated with Imam Husain (a.s.). While forecasting the tribulations of his family after Karbala, the Holy Prophet (S) informed

وَأَمَّا الْحُسَيْنُ فَإِنَّهُ مِنِّي وَهُوَ ابْنِي وَوَلَدِي ... يَا غِيَاثَ الْمُسْتَغِيثِينَ

As for Husain (a.s.), surely he is from me‘

٢- Anwaar, vol.١٠٠, pg. ٣٧٥; Mafatihul Jinaan (Urdu translation), pg. ٥٣٧ –٢

(and he is my son and my offspring...and the shelter of the distressed’ (۱)

Likewise, these titles have also been employed while addressing other Imams (a.s.). Imam Jafar Sadiq (a.s.) while enumerating the personality of his beloved grandson – Imam Ridha’ (a.s.) declares

يُخْرِجُ اللَّهُ مِنْهُ غَوْثَ هَذِهِ الْأُمَّةِ وَغِيَّاتَهَا

Allah shall manifest the saviour and shelter of this nation through my son (Imam’
(Moosa Kazim (a.s.)).’ (۲)

:In the Ziyarat of Imam Jawad (a.s.) we come across this title

السَّلَامُ عَلَى غَوْثِ اللَّهْفَانِ

(Salutations be upon the shelter and succour of the distressed.’ (۳)

Similarly, Imam Mahdi’s (a.t.f.s.) most esteemed forefather –the Holy Prophet (S) has described him (a.t.f.s.) with such titles. Our religious responsibility is that in all our problems, be it major or minor, social or personal, religious or worldly, we implore only Imam (a.t.f.s.) for succour and reject all other imposters like the Sufi mystics and sages who have no divine mandate and authority and are the biggest shams, to put it mildly. If with such a benevolent and divinely guided Imam to help us, we still knock at the door of others, we have rejected Imam and its precepts

Often we wonder how to beseech Imam (a.t.f.s.) for help as we are not well-versed with the etiquette of supplication and invocation. The following points may be of use in this regard

First: The most important criterion is pure intention (niyyat). If we beseech Imam (a.t.f.s.) with sincerity from the depth of our hearts, then it does not matter in what language we call out to him. He

.(Uyoon-o-Akhbaar al-Ridha' (a.s -۲

.Behaarul Anwaar, vol. ۱۰۲, pg. ۵۳-۳

.shall most certainly heed our plaint

Second: Our beloved Imams (a.s.) have trained us in this regard in their supplications and Ziyaraat. Keeping in mind brevity, we have outlined a few lines that the respected
:(readers can memorize while beseeching Imam (a.t.f.s

يَا صَاحِبَ الزَّمَانِ أَغْنِنِي يَا صَاحِبَ الزَّمَانِ أَدْرِكْنِي.

يَا مُحَمَّدُ يَا عَلِيُّ يَا فَاطِمَةُ يَا صَاحِبَ الزَّمَانِ أَدْرِكْنِي وَلَا تُهْلِكْنِي.

يَا أَبَا الْقَاسِمِ أَعْنِنِي يَا أَبَا صَالِحِ الْمَهْدِيِّ أَدْرِكْنِي أَدْرِكْنِي وَلَا تَدْعِنِي فَإِنِّي ذَلِيلٌ عَاجِزٌ.

يَا مَوْعُودُ الْمُتَنَتِّظِ أَنْظِرْهُ إِلَى الْمُحْتَضِرِ.

الْمُسْتَعَاثُ بِكَ يَا صَاحِبَ الزَّمَانِ.

Third: There is no definite time or any numerical limit prescribed to seek succour from Imam (a.t.f.s.). Whenever one is spiritually inclined towards imploring Imam (a.t.f.s.), one can do so with the sentences mentioned earlier, without any hesitation whatsoever. No time should be considered unsuitable for this meritorious act – be it
.day, night, noon, dawn, dusk

.(Messenger of Allah (S) and Imam (a.t.f.s

وَمَا أَرْسَلْنَاكَ إِلَّا رَحْمَةً لِّلْعَالَمِينَ

‘(And We have not sent you but as a mercy to the worlds.’ (1)

And these very words have been reiterated in the case of Imam az-Zaman (a.t.f.s.) in
:(the renowned tradition of the Green Tablet (Hadith al-Lauh

وَ أَكْمَلَ ذَلِكَ بِإِئْتِهِ م - ح - م - د رَحْمَةً لِّلْعَالَمِينَ

I (Allah) shall complete the chain of Imamat through his son (i.e. son of Imam Hasan‘
’Askari (a.s.)) M H M D – a mercy for the worlds

Imam (a.t.f.s.) is referred to as the All-encompassing mercy because with his advent there shall not remain a soul on this earth but he will have embraced Islam. Imam Jafar Sadiq (a.s.) elaborates, ‘After Imam’s (a.t.f.s.) advent, the Meccans shall slay both representatives appointed by Imam (a.t.f.s.) in Mecca. Imam (a.t.f.s.) shall dispatch his army for the third time with the explicit command – Don’t spare anyone .but ensure that he embraces Islam

This is because Allah’s All-Encompassing Mercy includes everything and I am that All-encompassing mercy. Certainly I would also have preferred to turn towards them along with you so that no excuse remains between Allah and them and between them
(and me.’ (2)

The above tradition underlines how Imam (a.t.f.s.) has introduced himself in the light .of Allah’s All-encompassing mercy and has also indicated the reason for the same

while

.Surah Ambiya (۲۱): Verse ۱۰۷-۱

elaborating on

السَّلَامُ عَلَيْكَ يَا وَعْدَ اللَّهِ الَّذِي ضَمِنَهُ

.Our earlier discussion on this topic should suffice

After this part of Ziyarate Ale Yasin, we proceed towards the ٨ salutations that are in Arabic indicates time – i.e. it is the (حِينَ). (حِينَ) linked to each other through the word English equivalent of ‘While’ or ‘When’. When we address Imam (a.t.f.s.) with these salutations we are referring to the actions that he performs at different points of time .in his life

Verse ١٧–١٨

١٦. السَّلَامُ عَلَيْكَ حِينَ تَقُومُ

١٧. السَّلَامُ عَلَيْكَ حِينَ تَقْعُدُ

’Salutations be upon you when you stand‘

’Salutations be upon you when you sit‘

A point worth noting in these ٢ and the other ٤ sentences is that all the verbs are in the .present tense

means ‘to sit’. It is quite possible that these words (تَقْعُدُ) means ‘to stand’ and (تَقُومُ) have been employed metaphorically. A case in point is the famous prophetic tradition

الْحَسَنُ وَالْحُسَيْنُ إِمَامَانِ قَامَا أَوْ قَعَدَا

Hasan and Husain are the two Imams, regardless of whether they are standing or‘
(sitting).’(١)

Over here standing indicates to rise or revolt in order to claim one’s rights. Sitting indicates to negotiate peace in line with the circumstances and demands of the situation and concede one’s rights. Peace is resorted to when a war would go against the larger interests of the Muslims. In light of the above interpretation, we can

:translate this statement thus

Salutations be upon you O Imam al-Asr (a.t.f.s.) when you rise (to claim your rights)‘
after your reappearance and salutations be upon you when you are

p: ۳۵

.Elalush Sharaa’e, pg. ۲۱۱, chapter ۱۵۹ –۱

Verse 19

١٨. السَّلَامُ عَلَيْكَ حِينَ تَقْرَأُ وَتُبَيِّنُ

Salutations be upon you when you recite (the Holy Quran) and elucidate its
'interpretation

In (فَعِيلٌ مُتَعَدٍّ) is a transitive verb (قَرَأَ يَقْرَأُ). According to the rules of Arabic language other words, when we say that Imam (a.t.f.s.) is reciting, the question that comes to
'?mind is 'what is he reciting

By and large Shia scholars have taken the Holy Quran as the subject matter of Imam's (a.t.f.s.) recitation. However, this is just one possibility. It is equally possible of his grandfather – Ameerul (كتاب جامعہ) that Imam (a.t.f.s.) is reciting the Jaameah Mo'mineen (a.s.) and it is also possible that Imam (a.t.f.s.) is reading the Mushaf of his grandmother – Janabe Zahra (s.a.) and it is quite likely that he (a.t.f.s.) is (مصحف) also browsing through the Jafr (كتاب جعفر).

– So in light of this, we can say

Salutations be upon you, O Imam az-Zaman (a.t.f.s.) when you are reciting the Book
'and when you are elucidating its verses

Another point that demands some elaboration is – to whom is Imam (a.t.f.s.) reciting the elucidation and interpretation of Quranic verses? Who are those fortunate people who sit along with Imam (a.t.f.s.) and listen to the interpretation of the Quran Directly
'(from Imam (a.t.f.s.

The illustrious scholar – Abi Zainab Muhammad b. Ibrahim Nomani has recorded a tradition from Imam Sadiq (a.s.) in his book – 'Ghaibat' which serves to answer the
'above question to some extent

بُدِّ لِصَاحِبِ هَذَا الْأَمْرِ مِنْ غَيْبِهِ وَلَا بُدَّ لَهُ فِي غَيْبَتِهِ مِنْ عَزْلِهِ وَنِعَمِ الْمَنْزِلِ طَيِّبِهِ وَمَا بِثَلَاثِينَ مِنْ وَحْشِهِ

٤

Occultation is necessary for the Master of this affair (Imam az-Zaman (a.t.f.s.)). And in occultation his separation (from the people) is also necessary. What a wonderful place is Medina? He will be accompanied by ٣٠ people who will serve to ward off loneliness (and fear from him.)^(١)

These ٣٠ companions are special and privileged. They spend every moment of their lives in the glorious presence of Imam (a.t.f.s.) It is possible that in this era of occultation Imam (a.t.f.s.) arranges for a class or an assembly of these companions and instructs them with lofty religious concepts on a regular basis

Just thinking of this fantastic spectacle of Imam (a.t.f.s.) training these students is sufficient to bring tears to our eyes. Our hearts are captivated with this image and we are gripped with the desire to be a part of this assembly and class that is a direct beneficiary of Imam's (a.t.f.s.) boundless knowledge and sits face to face with him. Our stark ignorance in Imam's (a.t.f.s.) occultation becomes even more evident to us.

:We are reminded of that statement of Imam Husain (a.s.) in Dua al-Arafah

أَنَا الْجَاهِلُ فِي عِلْمِي فَكَيْفَ لَا أَكُونُ جَهُولًا فِي جَهْلِي؟

(When I am so ignorant in my knowledge, then how ignorant am I in my ignorance!?)^(٢)

Verse ١٠

Salutations be upon you when you perform the Prayer (Salat) and recite the Qunoot' (of the Prayer

.Husain (a.s

Over here it refers to (دعاء) and recite supplication (تسبيح) Salaat means to glorify Allah the obligation of prayer (salat) imposed on every Muslim by the Islamic Shariat. Likewise, Qunoot in Arabic literally means obedience to and humility in front of Allah, (the Great. Here, it refers to the act of performing Qunoot in prayer (salat

In the Ziyaarat, we send salutations on Imam (a.t.f.s.) when he is engaged in prayer (salat) and when he recites the Qunoot. Indeed, there is no way for us to determine the sincerity and intensity with which Imam (a.t.f.s.) performs these actions as Imam's (a.t.f.s.) piety and devotion are beyond our fragile imaginations

All we can say is that Imam (a.t.f.s.) is the son of Ameerul Mo'mineen (a.s.), whose worship and humility is without parallel. It follows naturally that Imam's (a.t.f.s.) worship is also with utmost sincerity and humility and in line with divine satisfaction

We eagerly await the day when we shall be able to witness this Prayer (salat) and Qunoot performed with the highest level of servitude. Not only we, but Prophet 'Isa (a.s.) is waiting in anticipation for the day when he shall have the honour and (distinction of praying prayer (salat) behind Imam (a.t.f.s

The renowned Ahlul Sunnah traditionalist, Muttaqi Hindi, records a tradition from the (Holy Prophet (S

On his reappearance, Mahdi shall advance towards Hazrat 'Isa (a.s.) and request him' to undertake the responsibility of leading the congregational prayers. Hazrat 'Isa (a.s.) will humbly reply, 'The congregational prayers have been established for

(1) 'you to lead.'

:This verse of the Holy Quran deserves attention

أَمَّنْ يُجِيبُ الْمُضْطَرَّ إِذَا دَعَاهُ وَيَكْشِفُ السُّوءَ

Or, Who answers the distressed one when he calls upon Him and removes the 'evil...'

Under the exegesis of this verse, Imam Jafar Sadiq (a.s.) relates, 'This verse has been revealed in honour of the Qaim of Ale Muhammad (a.t.f.s.). By Allah! He (a.t.f.s.) is the 'distressed one' in this verse. When he will recite two rakat prayer (salat) behind Maqam al-Ibrahim and supplicate to Allah, Allah will answer his prayers and deliver him from the difficulties and appoint him as the Caliph on the earth.'

This is the prayer of a helpless soul, on reciting which Imam (a.t.f.s.) shall be ordered ,to rise. The command shall be issued in this manner

'O Allah's slave, rise and seek vengeance against Allah's enemies'

As far as Imam's (a.t.f.s.) Qunoot is concerned, there are several supplications that are associated with Imam (a.t.f.s.). Interested readers can refer to some of these books viz. Muhajjud Daawaat pg ٤٧, Al-Baladul Ameen ٥٦٩ and Behaarul Anwaar vol. ٨٥,pg. ٢٣٣.

Verse ٢٠

٢٠. السَّلَامُ عَلَيْكَ حِينَ تَرْكَعُ وَتَسْجُدُ

Salutation upon you, while you bow and prostrate

We have already explained the significance of conveying salutations to Imam (a.t.f.s.) :while he is engaged in various acts of salaah under the verse

السَّلَامُ عَلَيْكَ حِينَ تُصَلِّي

Perhaps it is due to the importance of these two acts (bowing and prostration) that

they have been given a special mention. Or it could be a pointer towards Imam's (a.t.f.s.) prolonged bowing and prostration. Even Imam's (a.t.f.s.) revered grandfather

Imam Moosa b. Jafar Al-Kazim (a.s.) has prayed for Imam's (a.t.f.s.) reappearance – ,with a mention of his bowing and prostration. Yahya b. Fazl Nawfali narrates

I was in Baghdad in the presence of Imam Kazim (a.s.). Imam (a.s.) had completed“ the Asr prayer. As per his practice, he (a.s.) raised both his hands towards the sky and :recited

لَا إِلَهَ إِلَّا أَنْتَ الْأَوَّلُ وَالْآخِرُ وَالظَّاهِرُ وَالْبَاطِنُ

There is no god save You. You are the First and the Last and the Apparent and the ‘ .Concealed

Imam (a.s.) repeated this sentence ١٠ times. After invoking Allah in these words, he ,(a.s.) supplicated

Send salutations upon Muhammad and his progeny and hasten the reappearance of the one who will avenge Your enemies. And fulfil the promise You ?!have made to him, O Majestic, O All- Revering

The narrator asked Imam (a.s.), ‘Who is the beneficiary of your Prostration :supplication?’ Imam (a.s.) replied

ذَلِكَ الْمَهْدِيُّ مِنْ آلِ مُحَمَّدٍ

’. (He is the Mahdi of Muhammad's progeny (a.s.‘

Thereafter, Imam Moosa Kazim (a.s.) elaborates further on Imam Mahdi's (a.t.f.s.) :excellence

sacrificed on your wheat complexion that has long since turned yellow due to incessant night vigils. May my father be sacrificed on the starry nights, which find you [\(engaged constantly in bowing and \(of the night-vigil prayers\)?\)](#)^(۱)

In the last tradition, mention has been made of Imam's (a.t.f.s.) solemn bowing and prostration in the dead of night. Only Allah is Aware what prayers and supplications keep His best creation engaged. Indeed, what can one say about the intense bowings and prostrations that are offered with such sincerity to Allah, the Almighty. One point worth highlighting over here is that the statement

بَابِي مَنْ لَيْلُهُ يَزْعَى النُّجُومَ

Means that Allah, the Almighty, likes to see His servants alert and vigilant about performing salaah and other acts of worship at its time. It means that one should use the heavenly bounties to dutifully observe one's religious obligations. In this regard, (Mulla Mohsin Faiz Kashani (r.a.) records a tradition from the Holy Prophet (S

أَحَبُّ عِبَادِ اللَّهِ إِلَى اللَّهِ الَّذِينَ يُرَاعُونَ الشَّمْسَ وَالْقَمَرَ وَالْأَهْلَةَ لِذِكْرِ اللَّهِ

The most beloved of Allah is the one who is always attentive of the Sun, the Moon' [\(and the shadows for the remembrance \(and worship\) of Allah.\)](#)^(۲)

Verse ٢٢

٢٢. السَّلَامُ عَلَيْكَ حِينَ تَحْمَدُ وَتَسْتَغْفِرُ

.Salutation upon you, while you praise Allah and seek forgiveness from Him

This salutation draws our attention to the fact that among Imam’s (a.t.f.s.) regular recitations is extolling and praising Allah, the Almighty, and his oft turning to Him in seeking forgiveness and clemency. Praising Allah and seeking His Pardon is directly proportionate to one’s level of recognition. As the latter increases, the former is augmented. Hence, Imam Sadiq (a.s.) informs

Everyday, the Holy Prophet (S) used to praise Allah ٣٦٦ times i.e. equal to the number of veins in his body, in this manner

الْحَمْدُ لِلَّهِ رَبِّ الْعَالَمِينَ كَثِيرًا عَلَى كُلِّ حَالٍ

All praise is for Allah, the Lord of the Worlds, as much as possible, in every [condition.](#) (2)

,Likewise, Imam Sadiq (a.s.) narrates with regards to seeking forgiveness

It was the Holy Prophet’s (S) practice that whenever he departed from an assembly, no matter how small and insignificant, he would seek divine forgiveness at least [٢٥ times.](#) (3)

,The Holy Prophet (S) himself declared

وَ أَنَا أَسْتَغْفِرُ اللَّهَ سَبْعِينَ إِسْتِغْفَارًا

‘(4) I seek forgiveness from Allah seventy times.’

Indeed seeking

forgiveness becomes even more admirable considering that these personalities (a.s.) were infallible and sinless. Perhaps, the unaware and vulnerable are actually deceived by seeking forgiveness of this kind. While seeking forgiveness is the subject of a detailed discussion, we shall try to address it briefly so as to alleviate doubts from the minds of the skeptics

:Seeking forgiveness has several rationales

1. Seeking forgiveness and clemency is one of the greatest and most laudable acts of worship.

2. The Islamic nation has been bestowed with knowledge due to this exalted worship.

3. This act of worship is one of the best forms of expressing humility and remorse in front of Allah, the Almighty.

4. Every moment, the infallibles (a.s.) are elevated by Allah in degrees. When they look back at their (lower) position, they express contrition and penitence by turning to Allah in forgiveness.

5. حَسَنَاتُ الْأَبْرَارِ سَيِّئَاتُ الْمُفْرَبِينَ 'The virtuous actions of the righteous are like sins for the proximate servants of Allah.' Let us see how we can understand this better with the help of an example. There is a child who prays salaah and feels that with this he has worshipped Allah in a befitting manner even while his salaah may not be fundamentally correct.

As opposed to this, a religious scholar, whose faith is elevated by degrees, prays salaah with total concentration and tranquillity and with a feeling of abject humility and degradation. After completing salaah in this manner, he collapses in prostration and weeps uncontrollably and exclaims in

anguish, ‘O Allah! Indeed I have failed miserably in fulfilling the right of Your worship.

’O Allah! I implore You to forgive me for my shortcomings

When the imploring of an ordinary scholar does not astonish us, why should we take exception to the entreaties and beseeching of the infallible Imam (a.t.f.s.)? These immaculate souls were stationed at such high degrees of divine recognition that it is high impossible for our imperfect intellects to fathom them

Verse ۲۳

۲۳. السَّلَامُ عَلَيْكَ حِينَ تَصْبِحُ وَتُمْسِي السَّلَامُ عَلَيْكَ فِي اللَّيْلِ إِذَا يَعْشَى وَالنَّهَارِ إِذَا تَجَلَّى

Salutation upon you in the morning and in the evening. Salutation upon you in the ‘night when it darkens and in the day when it brightens up

In this Ziyarat, we have mentioned the times of day in three places. The first time was when we recited

السَّلَامُ عَلَيْكَ فِي آنَاءِ لَيْلِكَ وَأَطْرَافِ نَهَارِكَ

The second and third times are underlined in the above two sentences. What is the reason behind such time-related salutations? This poser is best answered by the personality addressed in this Ziyaarat. We beseech Allah to hasten the reappearance of Imam (a.t.f.s.) and to give us the grace to hear directly from him the various aspects of this and other Ziyaraat and supplications. At this stage all we can say is that

عِبَارَاتِنَا شَتَّى وَحُسْنُكَ وَاحِدٌ

وَكَـلُّهُ إِلَى ذَاكَ الْحَجَّـمَالِ يُثِيرُ

Our phrases are many while your splendour is one“

And all of these indicate towards your beauty

Verse ۲۴

۲۴. السَّلَامُ عَلَيْكَ أَيُّهَا الْإِمَامُ الْمَأْمُونُ

!Salutation upon you – O Protected Imam

According to Arabic Grammar, the word

p: ۴۶

Its meaning can have various connotations – (مامون) is the Nominal Object of (مامون) protected, contented, reliable and trustworthy. It means that Imam (a.t.f.s.) is the leader who has been protected and secured by Allah and He found him so contented that He appointed him (a.t.f.s.) as a leader and guide over His Creatures. Imam al-Zamana (a.t.f.s.) is so trustworthy that the archangel Jibraeel (a.s.), the Trustworthy (prides over him (a.t.f.s.

Verse ٢٥

٢٥. السَّلَامُ عَلَيْكَ أَيُّهَا الْمُقَدَّمُ الْمَأْمُولُ

!Salutation upon you – O Protected Imam! O the Foremost, the Hope of Creation

as the attribute (مامول) This statement can be translated in two ways. One is by making i.e. O Foremost One, who is the hope of (موصوف) as the attributed one (مقدم) and (صفت) creation. The second way to translate the statement is by reversing the roles of these as the attributed one (مامول) and (صفت) as the attribute (مقدم) two words and making i.e. O the One who is Foremost in being sought with hope and expectation (by (موصوف), (the Creatures

Indeed Hazrat Baqiatullah (a.t.f.s.) is the splendour of hope of all mankind. Rather, he is hope of all Prophets (a.s.), the Successors (a.s.) and most importantly he is hope of Her Majesty Fatema Zahra (s.a.). Every true and righteous Muslim awaits the reappearance of the Mahdi (a.t.f.s.) who is expected to revive the Holy Quran and its edicts

أَيْنَ الْمُؤَمَّلُ لِإِحْيَاءِ الْكِتَابِ وَحُدُودِهِ

‘(Where is the Expected One who will enliven the Book (Quran) and its statutes?’)

Yes, Imam’s (a.t.f.s.) reappearance is an event that

p: ٤٧

is eagerly anticipated by all righteous servants. Imam's (a.t.f.s.) illustrious ancestor, Ameerul Momineen Ali b. Abi Talib (a.s.) has also referred to Imam (a.t.f.s.) in this manner

...ثُمَّ يَتَّقُوهُمُ الْقَائِمُ الْمَأْمُورُ...

‘...’ (then the Qaim (a.t.f.s.), the Expected One, shall reappear...’ (1)

Likewise Imam Jafar Sadiq (a.s.) has also reminisced over Imam Mahdi (a.t.f.s.) with this title (2)

Verse ۲۶

۲۶. السَّلَامُ عَلَيْكَ بِجَوَامِعِ السَّلَامِ

.Salutation upon you with a comprehensive salutation

This is the last statement of Ziyarate Ale Yasin. The reciter of of this Ziyaarat has now reached a stage where he has completed reciting the Ziyaarat and describing Imam (a.t.f.s.) with the most perfect and choicest of attributes

Instead of endlessly reciting – ‘Salutation upon you...’ it makes sense to recite a single salutation that can convey a sense of completeness and totality. That is why he recites, ‘Salutation upon you with a comprehensive salutation

is the Nominal Subject and (جامع), Gramatically, is the plural of (جوامع). The word means ‘to collect the scattered ones’. A word that, albeit small in appearance, In the context of the Ziyaarat it (جامع) unravels profound concepts, is referred to as means – Whenever a salutation is recited and whatever be its kind, may it all be (addressed to you O Imam (a.t.f.s

After this we call upon Imam (a.t.f.s.) as a witness and testify that there is no God save Allah and Muhammad (S) is His Messenger and His worshipper. Then we testify to the Imamate of each and every Imam by name and proclaim the certainty of each and every stage of

p.۲۳۶

.Kamaluddin p. ۳۳۴, Chapter ۳۳, tradition ۴; Behaarul Anwaar vol. ۴۸, p – ۲

۲۷. يَا مُؤَلَّيْ شَقِيٍّ مِّنْ خَالْفِكَ وَسَعِدٍ مِّنْ أَطَاعِكَ ؛ فَاشْهَدْ عَلَيَّ مَا أَشْهَدْتُكَ عَلَيْهِ وَأَنَا وَلِيُّ لَكَ بَرِيٍّ مِّنْ عَدُوِّكَ

O my Master, wretched is the one who has opposed you. Fortunate is the one who has obeyed you. You be a witness to all that I have testified by making you a witness. I come to you in friendship expressing disgust against your enemy

The above statement enlightens the reader with some critical concepts related to i.e. (سعيد) and fortunate (شقي) Islamic belief. The reasons for being among the wretched among the inhabitants of heaven and hell, are highlighted. In this Ziyarat we proclaim – O Master, indeed all those who have disobeyed you have earned the right to enter the Fire of Hell

They are wretched and despicable and their hearts are devoid of the light of guidance. On the other hand, all those who have obeyed your diktats, complied with your instructions and conformed to your standards are among the inhabitants of Paradise. In other words, being wretched and fortunate dictates who will enter Paradise and who will be relegated to Hell

Another important point that comes out strongly from this is that man is wretched and fortunate based on his own actions. There is no scope for anyone to claim (on the Day of Resurrection) that he was made to enter Hell as he was (inherently) wretched. None can take recourse to the excuse of compulsion and hold his pre-ordained destiny responsible

for his evil and corrupt actions. If one is wretched, he is so as a direct consequence of his immoral actions and if he is fortunate, then it is the outcome of his virtuous actions and of course, divine help and grace

After this we declare our friendship and love for the Imams as their Shias and in the same breath we distance ourselves from their enemies. It will not be out of context to mention over here the equal significance that Islam attaches to loving the Ahlul Bayt (a.s.) and detesting their enemies. No Shia worth his salt can ever be attached to the enemies of Ahlul Bayt (a.s.) and can never harbour any love and inclination towards them. (In this regard please refer to Surah Ahzab (۳۳): Verse ۳ and its exegesis

Verse ۲۸

۲۸. فَالْحَقُّ مَا رَضَيْتُمُوهُ وَالْبَاطِلُ مَا أَشْخَطْتُمُوهُ وَالْمَعْرُوفُ مَا أَمَرْتُمْ بِهِ وَالْمُنْكَرُ مَا نَهَيْتُمْ عَنْهُ

Then truth is what pleases you and falsehood is what displeases you. Your command ‘ constitutes goodness and your prohibition signifies evil

This statement highlights that the only criterion for determining truth, falsehood, good and evil is the Ahlul Bayt (a.s.). All that satisfies the Ahlul Bayt (a.s.) is good even if it appears repulsive to us or even if our defective intellects fall short of grasping the rationale behind it. All that displeases the Ahlul Bayt (a.s.) is evil even if it appeals to us

,The Holy Quran declares

عَسَىٰ أَنْ تَكْرَهُوا شَيْئًا وَهُوَ خَيْرٌ لَّكُمْ وَعَسَىٰ أَنْ تُحِبُّوا شَيْئًا وَهُوَ شَرٌّ لَّكُمْ

Perhaps you may dislike a thing while it...‘

[\(is good for you, and perhaps, you may love a thing while it is evil for you...?\)](#)

.The ۱۹th verse of Surah Nisaa reiterates this concept

The verse of Surah Baqarah underlines the helplessness and vulnerability of our intellects in determining on the one hand, everything that is good and beneficial for us and on the other, all that is evil and harmful for us. Our intellects at best can only inform us about the truth and falsehood of the general (like honesty, virtue, lies, deceit, etc), and cannot enlighten us about the reason and purpose behind all actions, many of which may apparently even go against the apparent intellect, like struggling
in the way of Allah

This point is well-highlighted in the incident involving Imam Jafar Sadiq (a.s.) and the man from Khorasan. Imam (a.s.) orders the man from Khorasan to leap into the blazing fire-pit. Imam's (a.s.) seemingly preposterous demand is not only at odds with man's inherent nature of self-preservation, but does not find any favour with the
intellect either

What the intellect cannot fathom is Imam's (a.s.) implicit objective of revealing the reality of the situation to the Khorasani. Obviously the Khorasani refused to oblige. When the same command was made to Haroon al-Makki, a close companion of Imam (a.s.), he instantly leaped into the blazing fire-pit without any fuss. When Imam (a.s.) lifted the cover of the fire-pit, the man from Khorasan saw Haroon al-Makki sitting
comfortably, a scene that shocked him no end

This is also the case

p: ۵۱

.Surah Baqarah (۲): Verse ۲۱۶-۱

with goodness and evil. If Imam (a.s.) commands us towards an act, it is good, and whatever he prohibits is evil. Now that we are aware of this reality, we are duty-bound to give due attention to all our actions and thoughts and must gauge the truthfulness and falsehood of the same in light of Imam's (a.s.) commands and prohibitions.

Verse ۲۹

۲۹. فَنَفْسِي مُؤْمِنَةٌ بِاللَّهِ وَحَدَهُ لَا شَرِيكَ لَهُ وَبِرَسُولِهِ وَبِأَمِيرِ الْمُؤْمِنِينَ وَبِكُمْ يَا مَوْلَايَ أَوْلَكُمْ وَأَخْرِكُمْ وَنُصِيرَتِي مُعَدَّةٌ لَكُمْ وَمَوَدَّتِي خَالِصَةٌ لَكُمْ آمِينَ آمِينَ

I have believed in Allah, the One – there is no associate for Him. And I have believed in His Messenger (S) and in Ameerul Momineen (a.s.) and in the foremost from amongst you as well as those who succeeded them. My help for you is ready at all times and my love for you is sincere. O Allah! Accept our supplication! Accept our supplication!

A point worth appreciating is that the Ziyarat employs the second person plural in the finishing line as opposed to the second person singular in earlier sentences. This is because at the end we are addressing all the Imams (a.s.) and our expression of sincere love and help extends to all the Imams (a.s.). It is possible that this verse is referring to the Raj'ah, when all the Imams (a.s.) shall return and avenge the Pharoahs of their times for the oppression and affliction that was heaped upon them.

O Allah! We implore You to grant us the grace to be worthy of being alongside the Imams

a.s.) when they return so that we can also contribute in relegating their enemies to)
.the blazing fire of Hell

O Allah! Hasten the reappearance of our Master, Hazrat Baqiyatullah (a.t.f.s.).
