INTRODUCTION

Due to the bad political atmosphere that was established by the perverted and cursed government of the Abbasid and Umayyad and inability of (Alawis) the descendant of Ali to convene a Just nation, our holy Imams (peace be upon them) were not opportune to explain the divine mysteries, to this end it was said the first person (whose right was usurped was Ali son of Abi Talib (peace be upon him

The Prophet (peace be upon him and his family) had a lot mystery that wasn't known except by few individuals ... if not because of the despotic rulers of this nation the .mystery could have be divulged to us

They did not explain and divulge this mystery to general people except to few among their associates and friends hence they were not able to reveal the mysteries and spiritual facts due to the weakness of the people to endure it, because they were under the usurped government which will prevail till the coming of the divine .government

Imam Sadiq (peace be upon him) said regards the following verse, {by the night when {it journeys on

It is the usurped nation which shall prevail till the coming of the awaited

(one, Imam Mahdi (peace be on him

They mentioned a lot of these mysteries under the pretext of prayers and supplications through which you perceive it and the facts in it

The explanations given by the Ahlulbayt (peace be upon them) did not only confined to the political atmosphere of their time rather they have mentioned other important issues in ideology and exalted sciences in the prayers and supplications. The manifestation of this fact is by referring back to their supplications. In addition to their explanation concerning mysteries and ideology, they have also treated a lot of issues that has impact in human's life and they have also enlightened the society the best lesson in life

Be aware precisely the "Psalm of Imam Sajjad" which its authenticity was approved by the awaiting Imam Al- Mahdi (May our souls be sacrifice for him), you will observe how Imam Sajjad (peace be upon him) has expound tremendous facts in a short word under the pretext of prayers and supplications. You should also be precise in other supplications from Imam Sajjad (peace be upon him) and other Imams from the progeny of the holy Prophet (peace be upon them

Presently we will mention some similitude of the lively lessons which they have teaches us through supplications

:We pray to Allah in the Gospel supplication of Imam Sajjad (peace be upon him) that

.O' God I seek for exalted determination from thee

This is a word of exhortation from Imam Zainul Abideen for all those that are calling Allah. Meaning that any caller, who

lowered himself, will request from Allah to grant him an exalted determination so that he might possess a tremendous changing in his life, henceforth his existence will have fundamental effect and impact in the society. This fact will be manifested when the light of the Imam (peace be upon him) flashes the heart of human being

The supplications which was a sublime mountain of guardianship for who desired to go to the right side valley and climb the sublime mountain of guidance should take off his shoes and purify his wears and study the manner of prayers and its acceptance in order to envisage concern and acceptance. This is what came to us from the Qur'an and traditions of the infallible ones, so hold fast with it in order to benefit from it and don't be despaired from God's comfort. {of God's

{comfort no man despairs, excepting the people of the unbelievers

Be certain of that as you will envisage the light and you will also be acquainted with the mystery because the Imams (peace be on them) guides people to mysteries and facts in all they have said in their prayers and supplications

.THE PERSISTENCE IN SUPPLICATIONS AND IT'S IMPORTANCE

Persistence in supplications has important impact in acceptance of supplication so that the caller achieves his objectives. This is an important point which all callers should take note of, because majority of people may not be able to achieve their aims just for reading their prayers and supplications for a time. For instance a sick person whose sickness is minor

can treat his sickness once but those whose sickness is chronic needs long time treatment for its cure, the same apply to those having psychiatric or psychological sickness, peoples that are affected with this type of sickness whether chronic or not cannot subdued it with one supplication rather it is incumbent on him to take repetition of prayers till he is fully cure and relief of his sickness just like other physical sickness

To this end as the physical sickness need repetition of treatment in order to see the impact of the drugs the same applies to any issues that fall into the scope of supplication, then it is necessary to make repetition of our prayer in order to see the impact of its acceptance

Indeed, it is possible for some people to attain their ambition by offering supplication once but that is very rare and uncommon. It is not proper for other people to expect the acceptance of their prayers by just offering supplication for once. So repetition of supplication is one of the emphases laid by the infallible ones in their traditions (peace (be on them

NECESSITY OF PRAYER TO THE LEADER OF THE TIME (may our souls be sacrifice for (him

Praying for the reappearance of our master, the God's remnant in the world is the most important prayer during the time of his occultation, because he is our companion, the leader of the time and the guardian of the worlds, how then do we heedless of him while he is our leader! Negligence of

the Imam is negligence of one of the principle of Religion, and then we should initially pray for him before praying for ourselves, our family and our brothers

Sayyid Al-Ajal Ali bn Taa'us in his book title "Jamal Al-Usbuy" said: we have presented in the book the precise duty to be done during the day and night and the importance which the exemplary ones has previously given in their prayer for Imam Mahdi (peace be upon him) which implies that praying for him is very essential for the Muslims and the Believers. We have also related a narration under the supplication after (Zuhr) mid day prayer as supplication from Imam Ja'afar Sadiq bn Muhammad (peace be upon him) which he offers for Imam Mahdi (peace be upon him)

Like wise we had mentioned a narration under the supplication of after (Asr) afternoon prayer where Imam Musa Al-Kazim bn Ja'afar (peace be upon him) has prayed for Imam Mahdi (peace be upon him). So imitating Imam Ja'afar and Al-Kazim is a pretext for those who know their reputation and rank in Islam

Ibn Taa'us after mentioning the virtues of offering prayer for ones brother said: If offering prayer for ones brother possess all this virtue what will be the virtue for he who offer pray for his chief who was the cause of his existence and you believe that if not him God couldn't have created you and other creatures in his and your time, and all you possess was due to the grace of his existence (peace

.(be upon him

I advise you not to put forward yourself and other creatures in your prayer and
.allegiance before him

Prepare your mind and your tongue when praying to that tremendous master and
personality. Don't have the believe that Imam need your prayer, never and never
hence such believe show the illness of your allegiance and your doctrine, requesting
you to pray for him was due to his right known to you and his immense kindness to
you. If you offer prayer for him before yourself, that will make the ways of accepting
.your prayer closer and quicker before God Almighty

Ways of accepting prayers has been band due to our atrocities and if you offer prayer
for him before the owner of life and death your prayer may be accepted because of
him. Then you include yourself in the prayer you offered for him in the company of his
favour for the expansion of God's mercy, honor and providence on you for attaching
.yourself with his rope during your supplication

Avoid the impression that you've not seen so and so person among our elders we are
following that are observing all I am saying to you, that you met them being
.negligence of Imam (peace be upon him

I am telling you to act according to what I told you because it is a clear reality, to God;
it is a scandalous for those that neglect Imam after all that been mentioned in his
.respect

How will Imam (peace be upon him) regard those who neglected him? Is

it as you neglected this distinct position? It doesn't mean to offer a lot of prayers to
!him! He whose prayer for him is legalized in your daily compulsory acts

.Then you don't have an excuse if you did not show importance and concern to him

It was said in "Mikyalil Makarim" that supplication according to the Qur'anic verses
and Prophetic traditions is one of the greatest aspect of worship and there is no doubt
that the most glorified and tremendous supplication is for those whom God has made
their right incumbent on us hence praying for him is compulsory for every living being
and with the benefit of his existence blessing flows to all creatures. Also there is no
doubt that the meaning that one should occupy himself with God is to occupy oneself
with His worshipping

this should be continuous in order to achieve His approval and to make him among His
.good friends

In conclusion it is obvious that persistence in praying for our master, the proof (peace
be upon him) and requesting for his quick reappearance, and obtaining his pleasure
.will make it incumbent on you to achieve exalted benefits

Then it is necessary for every believer to exhibit concern and persistency in praying
.for Imam every where and all the time

In reference to all we have mentioned was the statement of Mirza Muhammad Baqir
Isfahani, he said: I saw Imam Hasan Al-mujtaba (peace be upon him) in my dream or
between my dream and when I was awoken and gave me the

:following assignment

Command people from the pulpit (Minbar) to repent and to pray for the safety and" the reappearance of the Imam (peace be upon him). This command is not a collective duty rather it is compulsory like your five times daily prayer which is individual duty, till "end of his speech, in all our condition it is from God we demand for help

From all the aforementioned it is very clear the significance of prayer for the .(reappearance of the awaited Imam (May our souls be sacrifice for him

.THE FIRST OPPRESSED IN THIS WORLD

It is very unfortunate that people were heedless of praying for the quick reappearance of the leader of the time (May our souls be sacrifice for him). Had it been we are aware of our negligence to him we will realized that he was the first .oppressed in this world

We will mention below some instances where Imam (peace be upon him) was :oppressed

Hujjatul Islam Hajj Ismail Ashsharafi (may Allah be pleased with him) said: I went to- the sacred place of Karbala to visit the lord of the martyrs (peace be upon him) I was then offering (Ziyarah) prayer and it occurred to me that visitor's prayer is accepted if he offers it at the blessed head position of Imam Husein, I then request from Allah to grant me the opportunity of seeing my master, the leader of the time (peace be upon him) when I was still engaged offering my (Ziyarah) prayer, his beautiful Sun rises even though I

didn't know him but my mind inclines towards him, I went closer and saluted him
?inquiring from him who are you

He said: I am the first oppressed in this world! Then I didn't understand what he meant by his statement and I inspired to myself that he may be one of the learned scholars in Najaf whom people did not pay him attention, that is why he felt to be the first oppressed in the world! He then went out of my sight hence I believe that God has accepted my prayer and that was my master the leader of the time whom I have just met with

Hujjatul Islam Sayyid Ahmad Musawi (he is among those who are eager to see the 12th leader of the time (may Almighty Allah hasten his reappearance) he reported from Hujjatul Islam Sheikh Muhammad Ja'afar Al-Jawadi, the latter was fortunate to witness the awaited Imam (may our souls be sacrificed for him) but he was very depressed, he inquired from him about his condition (peace be upon him) Imam replied him: my heart is filled up of blood, my heart is filled up of blood
(meaning that he is depressed (peace be upon him

Imam Husein (peace be upon him) said to one scholar in Qum through a veil - 12th
:world

Our Mahdi is oppressed in his time, so therefore preach and write about the personality of Imam Mahdi (peace be upon him) to your last ability. Indeed preaching about the personality of this infallible Imam is like preaching on the personality

of the whole infallibles (peace be upon them) because they were all offended in their infallibility, guardianship and in their Imamate, so far this is the time of our Mahdi you
."ought to preach about his personality

He (peace be upon him) concluded his speech by saying: "I am still emphasising it again, preach and write a lot about our Mahdi. It is compulsory to write more than
."what was previously said about him because Our Mahdi is oppressed

AN ADMONITION FROM HAJJ SHEIKH RAJAB ALI AL-KHAYAT (may Allah be pleased
(with him

After we have clarified the necessity for offering prayer for the leader of the time (may our soul be sacrificed for him) it is compulsory for us not to focus our intention when supplicating only to reach some prestige rather we should pray to God seeking for His pleasure, nearness to Him and the awaiting leader (peace be upon him). Then you should aware of this matter. Sayyid Ashsharafi (may Allah be pleased with him) said: we do travel to different countries for the purpose of propagating Islam, in one of our journey which was very close to the holy month of Ramadan, I was along with some of my friends under the service of Hajj Sheikh Rajab Ali Al-Khayyat, we
,demanded him to teach and admonish us

{... he taught us how to use this holy verse: {And whosoever fears God

He said: we should first give alms (sadaqah), fast for forty days and recite the verse
while fasting. In a nutshell what

:was important in his explanation (may Allah raises his position) is as follow

This duty must be with the intention of nearness to the eighth Imam (peace be upon him) and should not be done seeking for materials

Sayyid Ashsharafi (m.a.b.p) said: I commenced the assignment but was not able to concludes it while I stop but my friend completed the assignment and he later travel to the holy city of Mash'had to visit Imam Ali Rida, the eighth Imam (peace be upon him) and saw him in a form of light and after a while he was able to witness and talk (with the Imam (peace be upon him

Our aim in narrating this issue was to explain some important point one need to observe while praying and supplicating, that is in addition to observing sincerity in his supplication he should also offer his prayer with the intention of seeking nearness to Allah, the Prophet and his household (peace be upon them) meaning that one should observe his supplication with the intention of worship and not to attain rank and prestige in this world

Regard to this matter a popular man whose prayer is having effect in solving peoples problems said to a man is believing that he possess insight: in your opinion what is my !?stature before Almighty Allah

He replied after deep pondering: you have much interference in the issues concerning !God

It is then incumbent to anybody that offers prayers not to misuse the opportunity rather he should offer his prayers as worship without interfering

.in the issues concerning God and should not try to attract people to himself

AN IMPORTANT EXPERIENCE OF HAJJ SHEIKH HASAN ALI ISFAHANI

Because we have talk about the person of Hajj Sheikh Hasan Isfahani in this
.discussion we will mention an important issue that concerns him

The Sheikh has engaged himself right from his youth with worships and Islamic devotion and endure a lot of inconveniencies in order to attain some spiritual ranks, he then have write up that is comprise of mysteries and an important point that he did
.not exposed or divulge to general people

My late father Muazzam (may Allah raises his position) told me about this write up of
:Sheikh

Verily Hajj Sheikh Hasan Ali Isfahani towards the end of his life has given this book to
.late Ayatullah Hajj Sayyid Ali Ridawi

Our reason for reporting this issue was the important point mentioned by Sheikh Hasan Ali Isfahani (may Allah be pleased with him) at the end of his book which is incumbent for those who wanted to pass through spiritual stages to benefit from it as
:follows

I wish all I have done in readings, litanies and so on for the purpose of reaching spiritual rank should be done for the purpose of nearness to my master, the leader of
.(the time (may Allah hasten his reappearance

Take note of the speech of this religious and divine man who was well known among the Sunni and Shi'a, how he has shown his regret for all good jobs he has put forward
hoping to have

done that for the purpose of nearness to Imam of the time (may our soul be sacrificed for him). There is no doubt that Hajj Sheikh Hasan Ali Isfahani is possessing spiritual strength and it is hard to get his type

with all this he is still having the notion that all he has done throughout his life was just for the nearness to the chief of this world of existence. He did not struggle to attain strength for mediation and pleasure even similar to that was the purpose for all his actions

The great example for anyone (in any field he belongs to) is to copy from the experience of the great men of that field and to benefit from their struggles throughout their life and from what they have achieved most especially to focus on the last period of their life

Be very careful of this point: to benefit from the important experience of the great men increases the spiritual value in ones life

Try in your deeds what late Hajj Sheikh Hasan Ali has experienced which he has written in his book. Offer your prayers, supplications and other aspect of your worship in nearness to God so that you can be closer to His caretaker, our master, the Imam of the time (may Allah hasten his reappearance) and cast off little ambition. This is a reality which will benefit you if you hinder to it

ORGANIZING GATHERINGS FOR SUPPLICATION

It is possible to organize prayers collectively just like individual, that is by organizing gatherings in remembrance of

Imam (peace be upon him). Such gatherings in addition to the prayer we offered for the Imam (peace be upon him) there are other good things that is included, like reviving the issues of the Imams and mentioning their traditions (peace be upon them) and so on

The writer of Al-Mikyal (may Allah raises his position) includes organizing gatherings in remembrance of the Imam among the duties of the creatures during the occultation of Imam (may our soul be sacrificed for him) mentioning during the gathering his virtues, merits, praying for him and spending our lives and money in this respect because that is among propagation of Islam, announcing the words of God, assisting good and faith, glorifying the signs of God and helping the friends of God

CAUTION: Sometime such gathering may become compulsory if

such gathering can serve as an avenue to bring back to guidance and right path those that are exposed to deviation and straying from the right path, base on the law of enjoining people to good and abstaining them from bad (Amr bil Ma'ruf wa Nahyi anil Munkar) like wise the law of guiding an astray person and abstaining people from innovation. Allah the Most High is the Protector in all condition

.BE AWARE OF THE DUTIES DURING THE TIME OF OCCULTATION

With the success of God and the grace of Imam of the time (may our soul be sacrificed for him) we have authored this book just to be acquainted with one of the duty during the period of occultation, which is

praying for the quick reappearance of the Imam (may our soul be sacrificed for him) but we ought to write from the beginning some other duties during the darkness and occultation hoping by God's Grace to accomplish the Imam being in the last stage of occultation. According to the tradition reported from the purified Imams, it is incumbent on us to be expecting both day and night the reappearance of the Imam .((peace be upon him

But very unfortunate, our community up till now is not being acquainted with the whole duties during the period of occultation. The precious books written on this respect has mentioned some duties but not all, had it be people are aware of their missing condition at the earlier stage of occultation, it couldn't have taking longer time .as it was now

What ever condition, it is incumbent especially for those whose responsibility are to explain people's duty to them during the period of occultation (though they were also heedless and negligence of that) to be in a state of embarrassment and sorrow for .not taking up their duty

It is not proper for us to be negligence of the chief of the world of existence and the all .knowing of our need in this universe while he exists within us

Is it proper for billions of brains to be in the veil of darkness due to the concealment of ?God's light

Is it proper for human kind to have mirror which suppose to reflect the world to them (that is the mind) but

?heedless of its majesty

When will the mind return to its original life to perceive the reality in life and the
?exaltedness of humanity

When will people know the majesty of their mind, the mirror by which we witness the
?world

?When will people's sense be active towards high rank of knowledge

When will people leave darkness, oppression and aggression to enable them attain
?the worldly government of divine Justice

.... When ... and when ...and when

Is it possible for the occurrence of all this except during the government of our
?(master, the Imam of the age (peace be upon him

Why we didn't perceive the period of reappearance? Why we didn't protest against
the darkness of this time? Why we are not cognizance about the future of this world!
!?And why we didn't take up of our duties during the days of occultation

HABITUATED WITH OCCULTATION PERIOD

Answer to the entire question is that we have solidified the period of occultation, the
darkness and the oppression in it! For that we become attracted to the darkness and
the oppression to the extent we became habituated with it. Habit attains the strength
.for attracting one to either good or bad attitude without intending it

For one to become habituated with anything that draws him, just like ones instinct
and nature to the extent one will be as if he does not possess volition to against it. God
has given the same strength to the habit and custom till it draw you to offer good
thing or to abstain from bad deed without intending

it. In this respect the commander of the Faithful (peace be upon him) has counted
:custom to be the second nature, and said

custom is the second nature

This statement never the less is precise but it contains an important facts, base on
what the Imam said: custom stimulates one just like the nature and instinct
.stimulates

It is necessary for everyone to benefit from this great strength in an exalted and
authentic ambition and to abstain from polluting of oneself with bad custom

Very unfortunate our community has become habituated with bad custom both
individually and collectively due to absence of good leader to lead the society towards
laudable ethics and exalted rank of humanity. The collective custom is stronger than
that of individual custom as it is very easy to draw some people to what the society is
!habituated with

Habituated with the occurrence and happenings on people and the patient with it
without thinking of the future and the coming of the saviour is the worst societal
!custom that the communities are afflicted with

Even though the Prophet (peace be upon him and his family) and the Ahlulbayt has
explained issues concerning 'Anticipation' i.e. the coming of Imam Mahdi and has
encouraged people to that and they have announced that it is permissible for you to
be in anxiety and be patient, this explanation of theirs has led people to the future
.luminous that shall come out

Very unfortunate, those whose duty is to explain this issue to people has refrained
from their duties and they did

.not struggle to reach the future east which have prolong the period of occultation

Up till now a lot of individuals are still accustoming to negligence regards the reappearance of the great friend of God (may our soul be sacrificed for him) and has inherited it from their forefathers. In a nutshell our community needs to move towards exalted degree, though if people abstain from their bad custom and engage themselves with humanity, they will surely elevate to an exalted degree

:Our master, the commander of the faithful (peace be upon him) said

.To subdue one's custom will elevate him to a noble rank

It is necessary for our community to leave in a state of anticipation and pray for the reappearance of the world saviour our master, the leader of the time (may Allah hasten his reappearance) and refrain from our old custom that is negligence of the existence of darkness during the occultation period! We should pray earnestly to Almighty Allah for the quick reappearance of the Just government of Mahdism

!THEY ALTER YOUR WAYS OF THOUGHT

To ruin the soul and alteration in your ways of thinking, they have invented an important transformation in you, so try to distance yourself from those who did not differentiate between occultation and reappearance of the Imam (peace be upon him) and you should be aware that negligence about the outward father is a great sin like wise negligence about the spiritual father and aftermath is gloomy

Presently if you did not perceive the different between the appearance and occultation

of Imam (may our soul be sacrificed for him) and you didn't ponder about the reappearance of the Imam who is the donor of the life, if up till now you did not pray for his quick reappearance and you are ignorant of your special duty towards the Imam of your time, now you are aware that people has a very heavy responsibility during the period of occultation, then rescue and redress yourself with an exalted determination of your previous time and lay your feet on the path of anticipation. It is incumbent for us to know that showing affection and severe kindness to him for those that love the post of guardianship necessitate seeking pardon and forgiveness from the previous negligence to him so that his merciful mind will draw the pen of pardon
for our negligence

Prophet Yusuf (peace be upon him, our Prophet and his progeny) didn't said to his brothers after all the oppression they committed against him

No reproach this day shall be on you; God will forgive you; He is the most merciful of
the merciful

You should be certain that human soul is very great and was not created to be attached with contemptible and material things rather it was created to incline towards divine issues, like knowing God and His ambassadors and other spiritual
.issues

Is it possible for those that has connection with the leader of the time (may our soul be sacrificed for him) like Sayyid Bahrul Ulum and Sheikh Al-Ansari (may Allah raises their position) to filled

up their soul with material thinking and thoughts and to condition their existence with negligence? Is it proper for those who can fly within the space of the science of Ahlulbayt (peace be upon them) to destroy his wings in order to imprison himself in this material world to become the playing tools of Satan? Is it proper for only few peoples out of billions to know the destruction in the period of occultation in this
?world

Why people didn't know their importance and they didn't know that there is no any importance in them except by concentrating in God and His good friends? If this position can not be attain except by some few individual, why we are not of those few
?ones

A Persian poet said: The caravan has left and you are still asleep in the desert being
.... perplex on when to go, what to do

.TO THE CHIEF OF THE PRESENT WORLD

Be aware that whoever certainly seeks for the awaiting leader (may our soul be sacrificed for him), serve in his path, pray for his quick reappearance and struggle in this aspect, at the end he will be guided to the path and all the ways will be opened for him. For this reason we should not refrain from his service during the occultation period because his hands was tied which is just like the rope the enemies tied on the
.(neck of the first oppressed one, the commander of the faithful (peace be upon him

When we struggle in advance for

the reappearance of Imam (May our soul be sacrifice for him) this rope will cut off. Be sure that whoever sacrifice his life in the ways of his Imam (peace be upon him) and did not entertain any doubt in it, he will be under the view of the Imam and will make him happy with words or speech and he will be pleased

If one can not proceed in the ways of seeking for fact, he will not achieve all or even part of it

:The commander of the faithful (peace be upon him) said

Whoever seeks for anything, achieve all or part of it

Have the belief very strongly that Imam (peace be upon him) is the centre of pivot even though we are in the period of occultation and the period of his government hasn't come. He is the chief of this existing world and his reign is absolute and comprises the entire world

Thus we do read in his Ziyarah that

Peace be upon you, O' the centre of pivot

All the existence during the dark period of occultation and during the period of his reappearance leaves under the canopy of his sacred existence and the entire world are indebted to his leadership and reign without an exception

Due to Imam and his purified ancestor's grace Prophet Isa the spirit of Allah (peace be upon him) attained all his ranks and he (peace be upon him) will not only be under the leader of Imam during his reappearance but right now he receive his instructions from him

We

.read in his Ziyarah (prayer): peace be upon you, O' the leader of Jesus Christ

The reign of Imam is not specialize to the period of his reappearance, even now his government is in force, the followers of Imam are proud of being under his leadership (peace be upon him). In this period all noble ones, chief and other good friends of God that are royal in their intentions and refrain from their personal causes has attain way to luminance rank i.e the light

of the existing world and the Imam of the time spend his loneliness with those .personalities that has been elevated to exalted rank

.It is has been reported in tradition that

.With the strong thirty allies of Imam, he is not in loneliness

Our purpose for explaining this issue is that occultation doesn't mean cutting off of his invisible auxiliaries from the creatures and that he (may our soul be sacrificed for him) did not assist anyone, and there is no any avenue to his light but rather as we have earlier said those who sincerely struggle to reach him are anticipating for his reappearance throughout their life and strengthens their heart with view and .information from him

That is how we hear the address of this sincere personality

{put off thy shoes; thou art in the holy valley, Towa}

Take up your shoes to see how you've injured your feet before the journey to the chief of this existing world. But very unfortunate some individual not only they are not ,royal in their intention

they also in addition trouble and cause affliction to other people and also put pebbles in their shoes. Those people sting the heart of those who love Imam (peace be upon him) with their sharpen tongues (because they are agents of Satan) they incline towards putting an end to all ways that leads to Imam (may our soul be sacrificed for him) as if they don't know that having enmity with his path and those that loves him is like having enmity with his honorable person (may our soul be sacrificed for him). Does the commander of the faithful (peace be upon him) never say the following?! Your friends are three likewise your enemies; your friends are (a) your friend (b) the friend

of your friend (c) the enemy of your enemy. And your enemies are (a) your enemy (b) the enemy of your friend (c) the friend of your enemy

Base on this, is having enmity with the lovers of the awaiting Imam (peace be upon him) not a transgression over his person (peace be upon him

THE IMPORTANCE OF PAYING ATTENTION TO THE AWAITING LEADER (may our soul be sacrificed for him

We should be aware that paying attention to the awaiting Imam (peace be upon him) is same as paying attention to Allah like wise paying attention to the rest purified Imams is same as paying attention to Almighty Allah

So visiting the purified Imams and imploring with them necessitate paying attention to Almighty Allah because whoever intended Allah paid attention to them

We read in

:Ziyarat Al-Jami'at Al-Kabir the following

.Whoever intended Allah paid attention to them

Verily if people paid attention to the honorable Imams he is inviting avenue of elevation to himself and clearing away all the obstacles that may hinder him from reaching an exalted ranks. To the extent that if people paid attention to our master, the leader of the time (may our soul be sacrificed for him) and other purified Imams he opens the ways of Allah, His blessing and forgiveness to himself likewise he has .lifted all darkness from inside himself

Imam Baqir (peace be upon him) while explaining this statement of Imam Ali (peace :be upon him) "I am Allah's gate" said

Whoever paid attention to Allah through me will be pardon and forgiven

To this end whoever paid attention to Allah, He will forgive him and take off all his obstacles. All the infallibles (peace be upon them) possess luminance position, in this respect we need to pay attention to all of them without any exception because they were acquainted with all period and time but

due to the descending of position it is incumbent to be more concentrated to the .(Imam of the time more than other Imams (peace be upon them

Take note of the following tradition: it was reported from Abdullah bn Qudamah :Attarmadi from Abi Al-Hasan (peace be upon him) who said

Who ever entertain doubt in four things has disbelieve in everything Allah has descended; one of this four things is knowing the Imam of every era, his personality and his

It is incumbent to know the Imam of every era, how does it possible for someone to
!knows his Imam (peace be upon him) and he will not concentrate on him

Base on this, it is not proper for someone not to concentrate on the awaiting Imam
(may our soul be sacrificed for him) and not to know his attributes and his exalted
.(position even though he concentrates on the other Imams (peace be upon them

Therefore our duty this very time is to have special concentration on our master (may
.our soul be sacrificed for him) whom we are under his leadership

We read in the supplication teaches by Imam (peace be upon him) to his companion
which was revealed to one renown scholar by name late Mulla Qasim Rashti, he said
teach this supplication to the believers to enable them solve their problems, the
:supplication reads as follows

O' Muhammad, O' Ali, O' Fatimah, O' the leader of the time accept me and don't
.destroy me

He said: when I was taught of this supplication I ponder over it, did you observe any
mistake in it? Yes, I said to him, the statement was addressed to four people and why
!the verb at the conclusion is not plural

You made mistake, he said, because the care taker of this world at this time is the
leader of the time, in the above supplication we use Muhammad, Ali and Fatimah
.(peace be upon them) as a mediators before him, so we obtain from him alone

It is necessary

.to take note of this point

As Salman, Abu zar, Miqdad and other good friends of God during the period of the Prophet (peace be upon him and his progeny) and the commander of the faithful (peace be upon him), they concentrated on both of them likewise the good friends of God during

the time of Imam Al-Mujtaba (peace be upon him) and the chief of martyrs (peace be upon him) they concentrated on both of them, the same applies to those who were elevated to exalted rank in this era because they didn't forget the remembrance of .the master (may our soul be sacrificed for him) thus they concentrated on him

:Thus we read in supplication of Nudbah as follows

.Where is Allah's direction by which all His good friends faces

The good friends of God at this time concentrated on the leader of the time even though they were not known within the community but they had connection with their Imam and benefited from his words

:Thus we read in Ziyarat Aali Yasin as follows

.Peace be upon you whenever you recite Qur'an and expound it

Base on this, it is necessary for everyone to give special concentration on the leader .of his time

Thus we mention a narration of the eighth Imam (peace be upon him), be aware of it: From our master Imam Rida reporting from his forefathers (peace be upon them) he :said

The holy Prophet (peace be upon him and his progeny) said regards the following saying of Allah the Most High {On the day

{when we shall call all men with their leader

Every community shall be call upon with the Imam of their time, the Book of God and
.the custom of their Prophet

The meaning of the narration is that on the day of judgment every one shall be asked
of three questions: (١) Did you execute your duty as a follower regards to your Imam
(٢) The Book of God

!The custom of Allah's Prophet (peace be upon him and his progeny), Or not (٣)

So one will be asked on the Day of Judgment whether he knows the Imam of his time
!or he didn't knows him

The best way to concentrate on the leader of the time is to offer prayers and
supplications that were reported to us from the purified Imams in his regard (peace
.be upon him) or the one that was issued by the Imam of the time

This was the admonition of Muhammad bn Uthman (the second deputy of Imam
during the minor occultation) to Ahmad bn Ibrahim when he requested from the
.former a supplication for Imam

/ Concentrate with him with supplications and Ziyarah

We may deduced from this word that by offering prayers and supplications that
concerns him (peace be upon him) one will be more concentrated to his noble
.existence

Concentration on the Imam's personality or to feel grief and tormented is not only
meant for the period of occultation rather it has been existing even during the time of
other Imams (peace be upon them) and Ahlulbayt has expounded the

greatness of his rank and his personality (may our soul be sacrificed for him) and
.manifested the grief for his occultation and separation

In reality they did not only manifested explanation of people's duty towards the Imam
rather they put it into practice by weeping and crying for his long occultation. Thus do
they acquaint people with their actions, anticipation and grief for his occultation

But very regretful that the Shi'a has neglected this fundamental issue which had great
impact in their life both in this world and the world Hereafter

The great scholar whose duty suppose to be enlightening people to this important
issue also ignore it and because of the Shi'as negligence (both the previous and the
present ones) to this same issue, the world had been deprived the blessing of the
reappearance of the great legacy of God (may our soul be sacrificed for him). That is
how the world will be governed by oppression, opulence and falsification, and the
continuation of this government whose hands are polluted with blood as an affliction
.to billions of Muslims and none Muslims

The community had been sunk into worldly affairs and laid importance on the causes
.and forget about the effect

Never the less this world is home of causes and we need to struggle in it but it should
not reach the extent we ignore the effects. The society had only paid little attention to
.the effect they also forget its guardians and master

(Not being acquainted with the personality of the Imam (peace be upon him

.is the important reason that leads most people not to concentrate on Imam

It is very regretful that those whose duty is to propagate this fact to people by guiding them to the leader of this existing world were not successful in carrying out this .important and vital Islamic duty

Presently we will repeat the same statement of Prophet Yusuf's father. To this end we :are apologizing to our merciful Imam seeking for pardon from him

our father, ask forgiveness of our crimes for us; certainly we have been sinful

With this pardon and forgiveness for our previous actions we hope to redress the future and put him in remembrance and try all our possible best to make people .concentrates in him

.ANTICIPATING FOR RELIEF OR BELIEVING IT

Anticipating for the coming of Imam doesn't mean preparation to perceive the reappearance only but in addition to that one need to ponder and have the hope of .perceiving it

It is possible for a lot of people to prepare for a guest but he may decide not to invite any guest and may also not be anticipating for any guest. Such person will not be refer to as someone expecting guest even though it is possible for him to receive a guest, .because he is not expecting a guest and he will not be grief if the guest didn't arrive

It is obvious from our statement that purifying the soul will not be completed if we are heedless of the coming day when the world will be freed from oppression. Those who

did not notice he had ignored an important duty i.e. anticipation for the purification of
.this world and movement towards this exalted destination

in another expression: Indeed reforming the soul will not reach its perfection until one
has the view of reforming the whole world and whoever struggle to reform himself
should be in expectation of the reappearance of the reformer of the world and should
.not be contented with only believing in it

To this respect one should be aware that there is difference between anticipating for
the coming of Imam and believing in it, because all the Shi'a and even other Religion
believe on the coming of the reformer of this world to fill it with Justice and equity but
.not every body having this believe are anticipating for his coming

The person who is anticipating in addition to his believe, is he who is expecting to
perceive the period of reappearance of the Imam and act base on his hope and his
.anticipation

The reported narrations in praise of the period of anticipation is an evidence
supporting the importance of having hope in occurrence of relief and perceiving the
reappearance of the awaiting Imam (may our soul be sacrificed for him) because if
there is no hope and anticipation and people are despairs in reaching the period of
reappearance, how will they act base on the traditions

!?!teaching hope and anticipation

In addition to having the believe of reappearance of the awaiting Imam and
preparation to its obtainment, the duty of each an everyone is to ponder

over the reappearance and to be of the hope of obtaining it and to believe that it will occur, hence he should supplicates to obtain it with good health

.Be aware that Allah does what ever he wishes

THE EXALTED RANK OF THE AWAITED IMAM (may our soul be sacrificed for him)
.(ACCORDING TO AHLULBAYT (peace be upon them

Knowing the exalted rank of our master, the leader of the time (peace be upon him) is an influencing way to bring people into path of anticipation

The narrations that came from Ahlulbayt regarding the greatness and the personality of the Imam, the leader of the time (may our soul be sacrificed for him) are very influential which necessitate astonishment in man

How the community's heart are not attached with the Imam (peace be upon him) with all this narrations with inward impact! Why do they chooses loneliness and deceit instead of "the chief of the paradise" Why all this negligence?! This gloominess is for what?! Did the scholars and great men in Religion act in a way suitable to him? Did those who ascribe themselves to Imam (peace be upon him) render their service as expected? Did the wealthy ones struggle to assist this fundamental cause of life? Has other people's hidden thought and agenda changed to concentration on the leader of the time (may our soul be sacrificed for him

The fact is that every creed has role to play in this aspect but there are still among the scholar and others who had stamp the sign of grief

!in their heart

.They are living with regret, sorrow and they are serving in this very path

Here are some narrations from Ahlulbayt to observe how they had expressed the issue of the leader of the time and they had tried to let the people pay attention to him! Observe also how they have taught us how to honour and dignifies him (may our
!(soul be sacrificed for him

The Messenger of God (peace be upon him and his family) said: "may my father and-
."mother be sacrifice for him; his name is like mine and he is in my resemblance

The holy Prophet (peace be upon him and his family) made this statement to the commander of the faithful (peace be upon him) after he has informed him about what shall happen during the days of occultation of the awaiting Imam (peace be upon
.(him

Be aware of the following statement of the Prophet (peace be upon him and his
:(family

There will be mutilated sedition after me, therein an intimate friends will fell victim," that will be when your followers will lose the fifth from the seventh of your descendant, the inhabitant of Heaven and Earth will be grief for missing him, how many believing men and women that will be in regret and perplexing when he is
!missed

:Then he keeps silent for a while and later raises his head and said

May my father and mother be sacrifice for him, he is my name sake, my resemblance,
and the resemblance of Musa son of Imran, he

"shall be on luminous garment, which shall be kindling from the ray of Al-Quds

The commander of the faithful (peace be upon him) said about the hidden Imam – ۲ (peace be upon him): May my life be sacrifice for him... this statement was transmitted by Allamah Al-Majlisi from the commander of the faithful (peace be upon him) in a collection of poem ascribed to him (peace be upon him) he said

;Then the Qa'im shall rise up among you with fact

;He shall bring fact to you and act with fact

;Same name with the Prophet may my soul be sacrifice for him

.O' my descendants quickly assist him and don't disappoint him

i.e. at that time (after the tyrant governments) someone shall rise among you and give life to that fact

and he shall act according to that fact, his name is same as that of the Prophet (peace be upon him and his family) may my soul be sacrifice for him, O' my descendants you should struggle to assist him

The commander of the faithful (peace be upon him): may my father be sacrifice for – ۲ him, son of the best among the slave girls

Thus the commander of the faithful (peace be upon him) utter this statements showing his great affection to him after mentioning the bodily attributes of the leader (of the time (may our soul be sacrificed for him

Jabir Al-Ja'afi (one of the honourable and confidant of Imam Baqir (peace be upon him) reported this narration

The commander of faithful (peace be upon him) it

is suffice to mention the beautiful bodily attributes of the Imam (peace be upon him) with out mentioning his spiritual attributes because he is conversing with those who .are the causes of destruction in this world

The commander of the faithful (peace be upon him) appeased Umar bn Khatab when the later inquire about the name of Al-Mahdi! He said: I had covenant with the Prophet not to mention his name until Allah delegates him, then inform me of his attributes :Umar inquired. He said

he is a young man of medium height with handsome face and hair, his hair shall falls on his shoulder the brightness of his face is above his beard and his head, may my .father be sacrifice for him, the son of the best creature

Commander of the faithful (peace be upon him): may my father be sacrifice for him, -۴ .the son of the best among the creatures

The commander of the faithful (peace be upon him) repeated this statement in .several occasions and was reported by Harith bn Hamdani

He expounds in this narration the conclusion of the tyrant's oppression with reprisal sword that is under the control of the leader of the time (may our soul be sacrificed for :him), he said

.He shall quench the thirst of the world oppressors with cup of punishment

.Be attentive to this statement that delighted the heart of the grieved ones

May my father be sacrifice for him, son of the best among the creatures (i.e. the riser (among his descendant (peace be upon him

he shall impose humiliation to them, and shall quench their thirst of oppression with
.cup of punishment and shall give them a commotional sword

Verily that day shall be the end of people of Saqifa's government and those that
.inherited them and shall quench their thirst of oppression with cup of punishment

The commander of the faithful (peace be upon him): may my father be sacrifice for –ﷺ
.him, the son of the best among the creatures

The commander of the faithful (peace be upon him) also repeated this statement in
:one of his sermon

Look at the Ahlulbayt of your Prophet, adhere to them if they remain, assist them if"
they seek for your help, Allah will surely delegate a man from us (Ahlulbayt), may my
father be sacrifice for him, the son of the best among the creatures, he will not give
"them except a commotional sword, and he is having eight responsibilities

The commander of the faithful (peace be upon him) gives glad tiding in this sermon
that the world shall be purified and reformed from the cursed ones, and the war
.against the tyrant shall last for eight months after then love and peace shall prevail

:(The commander of the faithful (peace be upon him –ﷺ

.Oh' yearning for seeing him

The commander of the faithful (peace be upon him) made this statement when
explaining the affliction that shall come and that is after he had expounded the
:(attributes of the leader of the time (may our soul be sacrificed for him

Oh' (he pointed to his

.chest) yearning for seeing him

Due to his encompassing knowledge, he knows that the problems cultivated in Saqifa will affect the whole world for a very long time, the world will be oppressed and it will continue till the appearance of (Qa'im) the riser from among the Ahlulbayt (peace be upon him) along with three hundred and thirteen trained and reformed men, whom issue of legacy is firm in their heart and some other believers and shall retaliate for .the oppressed ones

If there are men at the day of Saqifa who has sacrifice their life for the commander of the faithful (peace be upon him) the enemies wouldn't have able to put ablaze the home of revelation and they wouldn't have able to tied rope on the neck of the chief of ..the existing world hence no one is able to darken the face of the moon

:The commander of the faithful (peace be upon him) in one of his sermon said

I look round I couldn't see any helper except the members of my house, then I conceded with them instead of death, then I kept my eyes closed despite motes in them. I drank despite choking of throat. I exercise patience despite trouble in breathing and despite having to take sour colocynth as food

After the commander of the faithful (the first oppressed one in this existing world) has expounded the oppression done to him and had also caution about the future affliction, he mentioned the name of the lifter of this oppression, he

!said: Oh', yearning for seeing him

Imam Baqir (peace be upon him) said: I will retain myself for the leader of the time, -v
.if I reach the time

The statement came from he who knows all knowledge of this existing world who
knows the secret behind the creation, whom the previous and present people are like
.the present existence before him

He (peace be upon him) after expounding the present and the previous and the
events that will occur before the rising of Al-Mahdi (may our souls be sacrifice for him)
:said

.regards to me, I will retain myself for the leader of the world if the time reach me ...

Ayatollah Sheikh Muhammad Jawad Khurasani in his book said: What the Imam
.meant in the narration was the time people will come out to take their rights

From Imam Baqir (peace be upon him): may my father and mother be sacrifice for -λ
him, he who is called with my name and his nickname with mine, may my father and
mother be sacrifice for him, he who shall fill the Earth with justice and equity as it was
.filled with oppression and inequity

This tradition was reported by Abu Hamza Thumali (one of the great companion of
Imam Baqir) he said: one day I was with Imam after all the visitors has gone he said to
:me

O' Aba Hamza among the inevitables Allah has done was the rising of our riser (Qa'im)
whoever entertain doubt in my statement will meet Allah as an unbeliever, he

then said: may my father and mother be sacrifice for him, he who is called with my name and nickname, the seventh among my descendant, may my father be sacrifice for him, he who will fill the Earth with justice and equity as it was filled with oppression and inequity

O' Aba Hamza, who ever meet him and submitted to him what he has submitted to Muhammad and Ali, it is incumbent for him to enter Paradise, and it will be prohibited for him to enter paradise whoever did not hand over to him, hence Hell fire shall be his abode, how wretched the abode of the oppressor

Imam Sadiq (peace be upon him) said: if I meet him I will be at his service – ٩
.throughout my life

This was the answer of Imam Sadiq (peace be upon him) when he was asked about :the giving birth to Imam Al-Mahdi (may our souls be sacrifice for him) he said

.No, he is not born; if I meet him I will be at his service through out my life

Imam Sadiq (peace be upon him): supplication for the light of Muhammad's family – ١٠
.((peace be upon them

Ibad bn Muhammad Al-Mada'ini said: Verily Imam Sadiq (peace be upon him) raises his hands after Zuhr prayer and supplicates. I inquire from him May my soul be sacrifice for you! did you pray for yourself? He replied: I prayed for the light of Muhammad's family (peace be on them) their leader who will retaliate from their enemies by the

.command of God

Indeed, the whole Imams (peace be on them) are lights, their knowledge of luminance is knowing God but according to the statement of Imam Sadiq (peace be upon him) in this tradition the leader of the time (peace be upon him) is a light among the lights

Imam Al-Kazim (peace be upon him): may my father be sacrifice for him, he who – ۱۱
for the course of God would not be blame by those that blame, may my father be sacrifice for him, the riser with the command of Allah

From Yahya bn Nufali, indeed Musa bn Ja'afar (peace be upon him) raise his hands and supplicates after Asr prayer, I inquire from him saying, to whom did you offer prayer for? He said: to Al-Mahdi among the family of Muhammad (peace be on them) and said: may my father be sacrifice for him, he is having big stomach , his eyebrow are very close, his legs are very energetic, his shoulder is wide, brown in colour and close to be yellowish, may my father be sacrifice for him, his night shall guard the stars by his bowing down and prostration to Allah, may my father be sacrifice for him, he whom the blames of those that blame shall not affect him before Allah, he is the luminous lamp, may my father be sacrifice for him, he shall rise with the command of Allah

:(Imam Rida (peace be upon him – ۱۲

may my father and mother be sacrifice for him, he was named like

my grand father (peace be upon him and his progeny) he resemble me and Musa bn
.Imraan

Imam Rida (peace be upon him) utters this statement after he has expounded the difficult affliction that would occur during the occultation of the awaiting Imam (may our souls be sacrifice for him). This tense sedition, the good servants shall fell victim even though they manifested their religiousness and faith, their going astray is part of the reason surrounding the necessitation of Imam's loneliness of the awaiting one (may our souls be sacrifice for him) to the extend the inhabitant of the Heaven and
.Earth and every free independent people shall cry for him

:
(Be aware of this tradition that was narrated from the eighth Imam (peace be on him

There is no doubt for the intense sedition that shall occur where intimate friends" shall fell victim, that shall be when the followers lose the third of my descendant, the
.inhabitant of Heaven and Earth shall lament for him including those that grief

He later said: may my father and mother be sacrifice for him, he shall be named after my grand father (peace be on him and his holy progeny) he is my resemblance and that of Musa son of Imran (peace be on him) he will be on luminous garment, and
"kindle from the ray of Al-Quds

This type narration was also narrated from the Prophet (peace be on him and his holy
(progeny

It was narrated from our master Rida (peace be on him) in his seating a Khurasan, he

stood up when the word Al-Qa'im was mentioned and rest his hand on his honourable
:head and said

O' Allah! May You hasten his relief and make his coming very easy, he also mentioned
.some of the significance of his government

Muhadith Nuri (may Allah have mercy on him) mentioned in his book "Annajmu
Thaqib" what I have translated into Arabic language: this type of dignity when this
name is mentioned is usual between the Shi'ah all over the world especially within the
Arabs, none Arabs, Turkish, Indians, and others, even it is also common among our
.Sunni brothers

Allamah Amini in "Al-Ghadeer" said: it was narrated that when Da'abal read his poems
before Imam Rida (peace be on him) and mentioned the Proof (May our souls be
:sacrifice for him) by his saying

;If not because of he whom I hope for his coming today or tomorrow

;My soul could have cut off due to sadness

;There is no doubt in the coming out of the Imam

.He shall rise by the name of Allah and His blessings

Imam Rida (peace be on him) lay his hand on his head and respectfully stood up and
.pray for his quick relief and reappearance

We concludes this introduction by what has been narrated in "Tanzihil Khatir", Imam
Sadiq (peace be on him) was asked for the reason for standing up when the world "Al-
Qa'im" is mention, which is one of the nickname of Imam, the proof peace be on him,
he said: because he shall have long occultation and

due to his much kindness to his well-wishers, he looks at whoever remembered him with this nickname, as the symbol of his government and lost for his loneliness, it is among respect to him by standing up in humbleness before him and when the great master looks at him with his honourable sight, he should seek from Allah the Majesty, .the quick relief and appearance of Imam

We ask Allah the Most High to make us among those that anticipates for his .reappearance, peace be on him

.All praise be to Allah, the Lord of the worlds

There is no success except from God

to me, and I would show you his direction in good health and at ease, O' Abu Abdullah don't solicit to see him because the days of occultation are yearning to see him and don't request to convene with him because it is a firm resolution of God and it is better you submitted to it but you concentrate to him through Ziyarah (prayer). Regards
:what shall be his duty is what Muhammad bn Ali dictated to him as follows

Give concentration to Imam with Ziyarah after you have offered twelve units (Raka'at) of prayer, in every unit you recite Suratul Ikhlas and after every two units you terminate your prayer, you send salutation to Muhammad and his progeny after

[۴]

.PRAYER OF RELIEF AND IT'S SUPPLICATION

This prayer was taught by the leader of the time (peace be upon him) to a man in
.order to propel his worries

Abu Ja'afar, Muhammad bn Jareer Tabari in Musnad Fatimah (peace be on her) said:
Abu Al-Husein (the writer) said: I imitated an action from my father, Mansur bn
.Saalihaan, it happen between me and him that I was necessitated to be in hidden

I remained hiding with fear until Friday night when I decided to visit the

,grave yard of Quraysh

I sanctioned in the house for prayer and supplication and it was a raining night, I inquired bn Ja'afar Al-Qayyim to banned the door and try to vacate the place as I will like to be in seclusion for prayers and supplications and he should secure from entering those he did not trust, he did as I instructed him, at the midnight wind started blowing together with rain fall till it prevent people from coming to the place

I remained there, praying, offering Ziyarah and in this condition I heard pressure from my master, Musa (peace be upon him) suddenly there is a man offering Ziyarah, he saluted Adam and other endowed Prophets (peace be on them) then the Imams (peace be on them) one after the other until he reach the leader of the time (peace be upon him) and I was surprise that he did not mention him, I said to myself, probably he may forget or he is ignorant of the Imam or that is the sect he believed on, he offer two units of prayer after his Ziyarah, he then approach our master Abu Ja'afar (peace be upon him) and offer his prayers and Ziyarah and send his salutations as he does before, I begin to entertain fear because the man was not familiar with me. The man is young wearing white cloth with Turban round his chin, he said to me, O' Aba Husein bn Abi Al-ala, why are you far from the prayer of relief? Which

:of it O' my master? He said

:Observe two units of prayer and recite the following

O' He who reveals virtue, and concealed vice, O' He who does not call to severe account for sin and does not disclose the secretes of his servant, O' He whose favour is tremendous, O' the Most Magnanimous in overlooking short comings, O He who commence granting Favour before one merits it, O' He who possess beautiful skipping, O' He whose forgiveness is encompassing, O' He whose hands is strengthen ,with mercy, O' He who all secrets are directed to him

O' He who all complaint are directed to, O' He who help those that are in need of help, O' He who commence granting favour before one merits it

O' Lord (repeat it ten times) O' Master (repeat it ten times) O' Chief (repeat it ten times) O' The Extreme (repeat it ten times) O' The Utmost Desire (repeat it ten time

I seek from you by the sake of all this names and for the sake of Muhammad and his pure progeny peace be on them to dispel all my grief and to relief all my sorrow and to .make me happy after my sufferings and reform my conditions

You then put forward all your requests and needs, after you place your right cheek on the ground and recite the following supplications (۱۰۰) one hundred times: O' Muhammad, O' Ali, O' Ali, O' Muhammad, suffice me as both of you are enough as my suffice, help me as both of you

are enough as my helper

Then you place your left cheek on the ground and recite the following (۱۰۰) one hundred times {Attain me} and you also recite the following {the reliever} till your last breath. Then you raise your head. Verily God Almighty with His Generosity will grant .your requests

I was busy with the above prayer while the man left, when I finish I came to Ibn Ja'afar to inquire of the man from him but very surprising that I met the door closed and pad lucked, I thought within myself that he was inside with us without my knowledge, I draw the attention of Ja'afar Ibn Al-Qayyim, he came out and inquire from him about the coming in of the man, he said, the doors are closed and he didn't open them, I then narrate the incidence to him, he said to me: That is our master, the Imam of the time (peace be upon him), I have witness him in many occasions like this .type of night when he secluded from people, indeed I regretted for what missed me

I went out near to the dawn intending going to my hidden place, it was not yet noon while the companions of ibn Saalihaan seeking to meet with me asking of me from my friends and along with them security from the minister and coupon with his hand writing, I presented myself with my trusted friends, he stood to embrace me and treated me fine not as usual with him before and said: your situation

has reach the extend you complain of me to the leader of the time (peace be upon
?him

Verily there was an affair and prayer from me, I replied: Woe unto you, said by ibn Saalihaan, I saw the Imam, the leader of the time (peace be upon him) in my dream yesterday (i.e. Friday night) he was commanding for good and avoidance of bad to the extend I became frighten, I said to him: there is no deity of worship except Allah, I bear witness that they are the truth and extreme fact, I saw the Imam face to face yesterday and said so and so to me, he was astonished when I explain the incidence to him and with the grace of Imam (peace be upon him) I attain from him what I did .not thought of

illiberal in helping the fact, we are eager for the coming of Your command, we are
anticipating to implement Your promise and we are expecting the advent of your
.threat to Your enemies

O' Allah, permit that and open his ways and make his reappearance at ease and pave
his path, commence his legitimate course and assist him with his helper and soldiers

.(SUPPLICATION FOR HIM (peace be upon him) AFTER DAWN PRAYER (SUBH

Majlisi (may Allah have mercy on him) in "Al-maqbaas" reported under the topic "The supplication after dawn prayer" that one should recite the following before he talks to
:any one

O' my Lord! Send blessing to Muhammad and the family of Muhammad and quicken
.the relief of Muhammad's family and let me free from Hell fire

[۱۹-۲۱]

THE SUPPLICATION TEACHES BY IMAM OF THE TIME (peace be upon him) TO A MAN
.FOR IMPELING DIFFICULTIES

Al- Muhaddith Nuri in "Daru Ssalam" said: I was informed by Fat'h Ali Sultani Aabaadi
that Muhammad Sadiq Al-Iraqi

was in an extreme stress and difficulties for a long period of time without any relief
from his afflictions and no way out of it till a night when he saw in his dream as if he
.was in a valley with a mighty tent having dome on its top, who is the owner? I inquired

I was told the awaiting Imam (May Allah hasten and make ease his reappearance) is
inside, he quickly went inside and was relief of all his trouble, when he came to Imam
(peace be upon him) he tender his complaint regards his ill condition, the stress of his
time and his family's difficulties and requested supplication from him to relief him of all
his afflictions, he (peace be upon him) refer him back to a Sayyid among his
descendant by name Sayyid Muhammad Sultani Aabaadi, he pointed at his tent to
him, he went inside the tent and

.met Sayyid sitting on his praying mat while reciting and supplicating

After salutation, he mentioned to him what was hand over to him by the Imam, he teaches him supplication that will suffice him from all his stress and will make him procure his sustenance, and thus he woke up from his sleeping memorizing the .supplication

Then he intended going to Sayyid's house though before the dream he has disincline .from him for some reasons that was not mentioned

When he came to Sayyid, he met him in the very position he saw him in his dream by remembering his Lord and seeking forgiveness from Him, when he saluted him, he replied while smiling as if he is aware of the issue and comprehend the hidden mysteries, he inquired from him his very inquiry during his dream, thus he teaches him that very supplication in a very short time while the world pour on him from every corner. Our Sheikh extremely praises Sayyid because he has met him at the last state of his life and has studied under him for some period of time. Sayyid teaches three :kinds of supplications, they are as follows

First: To recite "Ya Fataah" O' He who opens way of success (for (۷۰) seventy times .(while placing his hand on his chest after dawn prayer – Subh

Kafa'ami (may Allah have mercy on him) in his Misbaah said: Allah will remove all evils .from the mind of him who offer this supplication

Second: The report of kulaini from Ismail bn Abdullah Khaaliq

who said: A man among the companion of the Prophet (peace be upon him and his progeny) show retardation, the Prophet (peace be upon him and his progeny) asked him when he came to him, why all this retardation? The Prophet inquired, it was caused by illness and poverty, the man replied, the Prophet said: do I teach you supplication that will drive away from you all sorts of illness and poverty? He answered affirmatively, the Prophet said to him: recite the following

There is no ability and strength except Allah the Most High and Magnificent, I rely on He who is alive and dies not, thanks be to Almighty Allah who doesn't possess companion nor descendant and He didn't possess any deity in His authority, and He did not possess a distress friend, He who is the most greatest

He said: he didn't stay long while he returns to the Prophet (peace be upon him and his progeny) telling him that Allah has drive away from him all sorts of illness and poverty

Third: The narration of ibn Fahd in "Iddati Daayi" from the prophet (peace be upon him and his progeny): No one will offer this supplication after his dawn prayer except Allah make it ease for him any time he requested from Him and will suffice him in all his worries

In the Name of Allah, blessing be upon Muhammad and his household, I deputize all my affairs to Allah, verily Allah sees all His servants, Allah safeguard him from all their plots, there is

no any deity except You, Glory be to You, verily I am among the oppressors. We answered his call and rescued him from grief, that is how we rescued the believers,

Allah suffice us and the best protector, inverted the favours

from Allah and preference that was not touch by evils, to the wish of Allah, there is no any strength and vigour except from Allah, to the wish of Allah and not to the wish of mankind, to the wish of Allah even though mankind rejected it

God suffice me from other gods, Creator suffice me from the creatures, the Provider suffice me from the prosperous ones, Allah suffice me, the Lord of the worlds, it suffice me, He who suffice me, it suffice me He who did not seize from sufficing me, it suffice me He who has been sufficing me, Allah whom there is no god except Him suffice me, unto Him I kept my trust, and He is the Lord of the Mighty Throne

.This is an important and vital supplication that needs to be preserved

.The expertise and narrations has claimed the authenticity of it

?I said: when will he be coming out

When the owner of creations and command wishes, Imam replied. I said: what are the signs before then? He said: the signs are many and different. I said: like

what? Imam Sadiq (peace be upon him) said: A banner shall come out from the east and west, sedition will persist and a man shall come out from Yemen among the descendant of my uncle Zaid, and there shall be plundering of the house properties then

O' my God! I have prolong my supplications, and my speech are in abundant, my mind is tightened, induce all that in me and constrain me on it, knowing from me that it suffice You my little call to grant all my need, just as little salt suffice the flour when making pasta or dough, rather Your servant's strong determination is enough, just for Your servant to say O' my Lord! In order to grant his requests, and with sincere intention and good speech, even in Your servant's assumption on You as his Lord is enough to grant his supplications, so I have right from my deep heart with strong determination invoke upon You, and I requested from You to send Your blessing upon Muhammad and upon the family of Muhammad and coupling my supplication with Your acceptance and let me attain my hope in You, because favour, might, strength and ability are from You, O' Allah don't erect me from this my position except You grant all my request because it is very easy for You and recalling it is might and much .before me and You possess the power over it, O' The All-Hearing, O' The All-Seeing

Allah suffice us the excellent trustee; How excellent master You are! How excellent Helper You are! All praise are being to God, the Lord of the worlds and may Your Blessing be upon our master, Muhammad and his purified family

.THE VIRTUES OF SUPPLICATION OF NUDBAH

Sadr Al-Islam Hamdani (may Allah elevates his position) in the book " Takalifil Anam" said: among the virtues of supplication of Nudbah is that anywhere it is recited with full sincerity and tranquility with attention to its exalted meaning, it necessitates the attraction of the leader of the time's providence (may our souls be sacrifice for him) to that place and it may even prompt the presence of the Imam over there (may our souls be sacrifice for

.him) as it happens in some places

[۳۰]

.SUPPLICATION OF NUDBAH

Allamah Majlisi (may Allah have mercy on him) in his book "Zadal Ma'ad" said: with sound chain of collectors to Imam Sadiq (peace be on him): it is recommended to recite supplication of Nudbah in four festivals; on Fridays, on Eid Fitr, on Eid Adha and on Eid Ghadeer. Allamah Majlisi also reported it in Al-Bihar quoting from Sayyid bn Taa'us (may Allah have mercy on him), on the authority of

some of our companions: Muhammad bn Ali bn Abi Qurrah said: I have quoted from the book of Muhammad bn Al-Husein bn Sufyan Al-Bazufari (may Allah be pleased with him) about the supplication of Nudbah, he mentioned that the supplication is for the leader of the time (peace be on him), and it is recommended to be offered in four (Eid) festivals

A great scholar Al-Muhadith Nuri (may Allah have mercy on him) has narrated this supplication in "Tahiyatu Zza'ir" quoting from "Misbaahu Zza'ir" by Sayyid bn Taa'us and from "Mizir" by Muhammad bn Mash'hadi with same chain of collectors. It was quoted also from "Al-Mizaril Qadeem" but with addition of reciting it on Friday night as :it was recommended in the four festivals. The supplication is as follows

All praise is due to Allah, the Lord of the worlds, and may the peace and blessing of Allah be upon our master, Muhammad, His Prophet and upon his holy family

O' Allah! All praise are due for You for what You have decided and resolved upon

in the issue of Your good friends; whom You have chosen for Yourself and Your Religion, when You choose from Yourself to them a great felicity and rank which did not decline nor terminated, after You have stipulated for them piety and righteousness in this despicable world and its embellishments and ornaments, then they precondition that for You, and You are sure they will fulfill all the condition

Then You accepted that from them and take them near Yourself, You bestowed on them elevated remembrance, and praise them in a clear terms, You descend the Angels on the Earth to fall down in prostration to them, and honoured them with Your revelations, You support them with Your knowledge, and You make them as a medium to reach You and access to Your pleasure

One of them dwelled in the Paradise until You sent him out for Your message, one of them bear the Ark and rescued him together with those who believe along with him from destruction for the sake of Your blessing, one of them was taken for Yourself as an intimate friend, he requested good in the later generation and You answered him and You make that very exalted, You spoke to one of them through the tree, and appointed his brother as his successor and helper, one of them was brought into existence without father, and bestowed upon him with a clear proof, and was supported by the Holy Spirit

You have prescribe a divine law to all of them, and created a

path for them, and You have chosen for them an executor to execute the duty after being safe and protected from one time to the other, for the establishment of Your Religion and proof over Your servants, so that the truth will not be embellish from its foundation, and falsehood to subdue the inhabitant of truth, so that a single man might not say: if You had sent a Messenger as a Warner to us in order to establish wisdom and guidance so that we might have followed Your revelation before this our .disgrace and humiliation

Till the advent of Your beloved and noble one, Muhammad peace be upon him and upon his family, as You have chosen him as the master among Your creatures and make him the best among the selected ones, the best among the chosen ones, the most generous among those You relied upon, and You made him the foremost of Your Prophets, and sent him to the entire mankind and the Jinn among Your servants, and loved

Your east and west before him, and put the (Burraq) the flying horse under his control, and ascended him to Your Heaven, and bestowed on him the knowledge of what took place and what shall take place till the end of Your creation, then You assist him from panic, the Jibrael and Mikael and other distinguished Angels gathered round him, and You promise him that his Religion shall prevail over other Religions even though the .idolater may be averse

There after You have inaugurated him

and provided goods and perfections for him and his holy family, and accord him and
his family

the first sanctuary established for mankind at Becca (Mecca) a blessed place and}
guidance to the people, therein are clear signs, the standing place of Ibrahim, he is
{safe whoso ever enters it

:And You said

Allah wish is but to remove uncleanness far from you O "people of the House" and}
{purify you with a thorough purification

Then You have made the reward of Muhammad, may Your peace and blessing be on
:him and his holy family, love for them in Your Book. And You said

say (O' Muhammad): I ask of you no fee (recompense) there of, save love of my}
kinsfolk} and You said: {what ever recompense (return) I have asked of you it is only
:for yourself} and You said

{I ask of you no reward for this, save that, who so will, chooses a way unto his Lord}

Therefore they are the only means to gain access to You, the only medium to attain
.Your contentment

When his days elapses, you gave the authority to his successor, Ali bn Abitalib (may
Your blessing be upon them both and upon their children), as a guide, when he
(Muhammad) was made a Warner and every nation has a guide, he (the Prophet) said
in the presence of overflowing people, "whom so ever I am his master Ali is his
master, O' Allah be a friend of him who is a friend to him (Ali) and an

enemy to him who is an enemy to him, help who so ever help him and forsake who so
"ever forsake him

And he said: "whom so ever I am his Prophet Ali is his chief", and he said: "I and Ali are from the same tree while the rest of mankind are from diverse tree" he legalize for him the position of Huran to Musa, he therefore told him: you are to me like the rank
of Harun to

Musa but certainly there will be no Prophet after me, he married to him his only daughter the mistress of the women of the two worlds, he made lawful to him (Ali) in the mosque what was made lawful to him (Muhammad) and closes all the doors (that
.link to the mosque) except the door of Ali

He (Muhammad) deposited his knowledge and wisdom to him (Ali) and said: "I am the city of knowledge and Ali is it's gate, whosoever desire the city and the knowledge should come through it's gate, there after he said to Ali : you are my brother, successor and inheritor, your flesh is my flesh, your blood is my blood your peace is my peace and your war is my war, the faith mixed with your flesh and blood just as it mixed with my flesh and blood, you shall take responsibility of the reservoir of my inheritance, you will pay back all my debts, and execute all my assignment, your
followers shall be on the pulpit of gleam, their

"faces shall be brightening while surrounding me as my neighbour in the Paradise

If not you, O' Ali the believer wouldn't have been known after me, he (Ali) is the guide after him (Muhammad) for the entire world from going astray, he is an illumination for the blind in the darkness, and strong rope of Allah and His straight path, no one preceded him regards to his close kinship, and no one preceded him in Religion, no one catch up with him in terms of virtues and in Excellency, he follow the foot step of .the Messenger may the blessing of Allah be on both of them and on their family

He shall fight against the misinterpretation of the Qur'an, during the cause of Allah the censure of the censurer will not subdued him, he had put to fright the valiant Arabs.

And kill their heroes, he attacked and disperses their Calvary, he incited malice in their heart due to the battles of Badr, Khaibar and Hunain, they became foggy in their opposition to him, they dedicated themselves wholeheartedly in fighting .him, till he destroyed those who break their loyalty to him and the renegades

When his life span elapse and martyred by the malicious criminal imitating the earlier malicious criminals that did not execute the orders of the Prophet (bless be upon him and upon his family) concerning the guides one after the other, and the nation insist in their detestation, they all flocked together to cut off his kinship, putting aside his documents, except few faithful

.ones that fulfill their covenant towards the rights of his descendants

They slain some of them, and some were held as prisoners of war, some were exiled and the destiny occurred to them with the expected best recompense, since the Earth belongs to Allah, and He gives its inheritance to whom He want among His good .servants, and good ending is for those who preserve their faith

Glory be to our Lord, surely the promise of our Lord must be fulfilled, and Allah never fails his promise, He is Almighty, the Wise. So may purity be on to the house of Muhammad and Ali, blessing of Allah be upon both of them and upon their children, so let those who cry to cry and those who lament to lament, and for their types should shed tears, let the shouters shout, and the clamorous clamored and let those who .roared to roar

the days of their life, and supervise the armies from their enemies, and surrounded them with bad luck of their mistakes, by the grace of God the most High, he who was born in this holy month shall free them from their slavery and enable all the chained hands for their rights, and shall grant every soul what he merit, he shall spread and make ease to every creatures an equal basis with perfected favour and good attributes. Every body shall sit round him like affectionate father to his dear children, or sitting of a merciful king with those under him, showing the introduction to the
cheerful verses

and glad tidings in the everlasting house of felicity that those present shall witness for
.those absent

Let everyone rise up this night to gratify Allah for what he has bestowed on us
.through this noble king

That he was among his custody and was mentioned in the list of his armies, who was named among the helper that pave way for Islam and faith and uprooted disbelief, tyranny and oppression, and to extend the canopy of felicity to every place the Heavenly sun rises on and to where the sun set, take out of his service for Allah, the Majesty, and His Prophet (peace be upon him and his holy family) who was the source of this birth and felicities and honour of his headship and service to his pure forefathers, who are the root and supporters for the establishment of his Sanctuary
and service to him (peace

be on him) as it is compulsory for a herd of a king in his deadlock to keep to his integrity and to perceive its felicity. I did not see any human power that can execute these great rights except by divine power. So every blissful servant should strive seriously base on what Allah the Majesty has bestowed on him

.SUPPLICATION ON THE DAY OF GHADEER FESTIVAL

Whoever recites this supplication shall be under the banner of Imam Mahdi (peace be
.on him) and his tent among the generous and associates

Allamah Majlisi (may Allah have mercy on him) said: we have narrated with connected chain of collectors what Mohammad bn Ali Al-Tarazi has narrated in his book while reporting from Muhammad bn Sanan , from Daud bn Katheer Al-Raqi, from Amarah bn Jaween Abi Harun Al-Abdi; we have also narrated from Sheikh Mufid, Muhammad bn Muhammad bn Al-Nu'man of what he has narrated from Amarah bn Jaween Abi Harun Al- Abdi, he said: I entered to Abi Abdullah (peace be

on him) on the eighteenth day of Zil Hijjah and I met him fasting, he said: "This day, God has made it a sanctuary for the believers when He perfected His Religion and completed His favour on them and renew His covenant of the early creation with them, when Allah made them to remember and they accepted it from Him and He did
"not make them people of denial and those that disavowed

I said to him: may my soul be sacrifice for you: what shall be the reward for those that fast this day? He said: "this day is a day of joy and happiness and the fasting is a thanks giving to Almighty Allah, verily fasting this day is equivalent to (٤٠) sixty months fasting of the sacred month, and whoever offer (٢) two units (Raka'at) of prayer at any time of this day (but the better before Zuhr prayer because that was the time the commander of the faithful (peace be on him) was conferred with the successorship in
Ghadeer Khum before

the general public) and after that he go on prostration position and give thanks to Almighty Allah (١٠٠) one hundred times after that, he rise from the prostration and
:recite the following supplication

O' Allah I am asking You, verily You worth praising, You are alone without any associates, verily You are one, alone and everlasting, You did not begotten nor were You begotten, and there is no one comparable to You, verily Muhammad is Your servant and Your Messenger, may

Your blessing be on him and on his family, O' He who is at duty every time, as it was Your stature to confer favour on me, to make me among those You answer their prayers, and among those that practice Your Religion, let me among those that call upon You, as You have accord me that right from the commencement of my creation
just as a favour and generosity from You

Then followed by favour, bounty, and Munificence as leniency and mercy from You till You renew my covenant after the renewal of my creation, then I was completely forgotten and negligence, then You complete Your favour on me by reminding me of
.that, You bestowed and guided me to that

O' My Lord, my Leader and my master, let among Your duty the perfection of that favour on me and don't deprive me of that, till You take my life while You are pleasing with me, verily You worth granting and perfecting favour on me. O' Allah, we heard
and shall obey and answer Your call due to Your favour on us, all praise

and forgiveness are due to You, O' our God unto You the whole fate. We believe in God, He is alone without any associate, we also believe in His Messenger Muhammad, may the blessing of Allah be on him and on his holy family, we endorsed and answer the call of God, we followed the Messenger in accepting the guardianship of our
master and the believers master, the commander of the

faithful, Ali son of Abi Talib, the servant of Allah, the brother of His Messenger, the great righteous one and the proof on His creation, the supporter of His Prophet and His manifested true Religion, the flag bearer of the Religion of God, the treasure of His knowledge, the suitcase of Allah's secrets, the place of Allah's mysteries, the trustee
.of Allah on His creatures and His witness among His creations

O' Allah, {O' Lord, we have heard a caller calling us to believe saying, "believe you in Your Lord!" and we believe our Lord, forgive Thou us our sins and acquit us of our evil deeds, and take us to thee with the pious, Our Lord, give us what Thou hast promise us by Thy Messengers and abase us not on the day of resurrection, Thou wilt not fail
{the trust

O' our Lord, we believe on Your favour and kindness and answer the callers on Your path and we followed and believe the Prophet, and we believe on the master of the believers, we disbelieves on tyrants and idols, we obey those whom You had confer on us as leaders and guardian, resurrect us together with our Imams, because we
.certainly believe in them and to them we surrender

We believe in their secrets and their overt, the present and the absent among them, we are pleased for their Imamate, leadership and mastership, they are sufficient to us between us and God without any other of His creations, we don't wish for their
exchange and

.we don't take other than them as our confidant

We acquit before Allah with whoever declares war against them, among the Jinn and the mankind from the beginning to the end of the time, we disbelieve the tyrants and idols and the major four idols together with their followers and whoever paid them .allegiance among the Jinn and mankind, from the beginning to the end of the time

O' Allah, we take You as witness that we believe on what Muhammad and the family of Muhammad has believed on, blessing of Allah be upon him and upon them, our sayings is what they say, our Religion is their Religion, what ever they said is what we say, what ever they adopted we adopt, what ever they rejected we reject, what ever they paid allegiance we pay allegiance to, we revert what ever they reverted, we curse what ever they cursed, we disavow what ever they disavowed from, we have mercy on who ever they have mercy on, we believe, surrender, please and follow our .masters, may Allah's blessing be on them all

O' Allah, perfected that for us and don't deprived us of it, let that be firm and well established with us, and don't make it a fictitious, let our life in this situation and when You seize our life, on the same situation of the family of Muhammad, they are our Imams, for their memorial we gathered and to them we pay allegiance, we revolt against their enemy

who are also the enemy of Allah, let us

be among their intimacy in this world and the world Hereafter, verily we are pleased
...with that, O' the Most Merciful of the merciful

Then you prostrate while praising Allah (ﷻ) one hundred times and give thanks to Almighty Allah (ﷻ) one hundred times. Who ever offer all this, is like he is present that day and give allegiance to the Messenger of Allah (peace be upon him and upon his family) on that, and his rank is like that of the trustworthy ones that certify Allah and His Messenger in paying allegiance to their leader that day, and shall be like he who has witness the Messenger of Allah (peace be upon him and upon his family), the commander of the faithful (peace be on him) and Al-Hasan and Al-Husein (peace be on them). And also he is like those under the banner of Imam Al-Mahdi (may our souls .be sacrifice for him) in his tent among the generous and noble ones

.SUPPLICATION DURING THE DAYS OF OCCULTATION

The supplication which was ordered by the eighth Imam (peace be on him) to be .recited during the days of occultation

Sayyid Ali bn Taus in Jamalil Usbuy said: Imam Rida (peace be on him) usually command reading the following supplication

.(for the leader of the time (peace be on him

O' Allah safeguard Your guard, Your ambassador and Your proof on Your creatures, Your speech that voiced on Your behalf with Your permission, the spokesman with Your wisdom, Your observing sight on Your creation, Your testimony on Your .creatures, the valiant struggler, who is protected before You

Protect him from the evils of all You have created, initiated, formed, and protect him from his front, back, right, left, up and down, such protection that the protected one shall not get lost from its place, also protect Your Messenger and his forefathers, Your .Imams and the supporters of Your Religion

O' Allah keep him in Your consignment that shall not get lost, and in Your vicinity that doesn't need a guard and in Your prevention and exaltedness that can't be subdued, secure him with Your firm security that doesn't betrayed, keep him in Your patronage that doesn't depart from whoever

is there and support him with Your noble victory, support him with Your victorious soldiers, strengthen him with Your power and followed him with Your Angels, support whoever support him, and be an enemy to whoever is at enmity with him, wear him .with Your well fortified armor and surround him with Your Angel

O' Allah, bestowed on him that which You have bestowed on those that established Justice among the followers of the Prophets, O' Allah ramify our splits through him, sew the rip through him, eradicate the oppression through him, manifest justice through him, reform the

Earth by his staying and support him with victory, assist him from sacredness, strengthen his supporters, let down who wanted to forsake him, mutter whoever .declare hostility against him, and destroy whoever cheated him

Degrade the arrogant through him and eliminate the unbelievers and all the apostates from the east, west, land, Sea, plain land, mountain, .of the Earth through him till there shall be no place of abode for them

O' Allah! You then purify Your nation from them, and relief Your servant from them, honour the believers through the Imam, revive the customs of Your Messenger through him, make him scholar of the Prophet's wisdom, renew what has been obliterated in Your Religion and what has been changed in Your judgment through him, till You return

Your correct and fresh Religion through him, that is free from distortion and innovation, and till His justice illuminates over oppression and aggression and quench the light of the unbeliever through him, and explain the fact and unknown justice .through him

Because he is Your servant whom You have set aside for Yourself, and have chosen him among Your creatures and have appointed him to Your servants and confer trust on him, for Your invisibility, and preserve him from sins, and clear him from all sorts of

.blames, and purified him from all sorts of impurity and free him from filth

O' Allah we shall bear witness for him on the Day of Judgment, and the day when calamity will commence, that he has not committed any sin, and never commit it base on his desire, and has not committed any guilty, and has not forfeit Your obedience, he has not debase Your sanctuary, he has not changed Your compulsory duties, he has not changed Your divine laws, surely he is a good, pure, pious, honesty and .righteous one

[۴۹]

SUPPLICATION OF COGNITION (MA'RIFAH) TO BE RECITED DURING THE DAYS OF
.OCCULTATION

Sayyid Ali bn Taaus in Jamalil Usbuy said: this is another supplication for him (peace be on him), it is necessary to recite this supplication if one is having excuse in all the aforementioned supplications like those ones to be recited after (Asr) afternoon prayer on Friday and so

So be aware not to act slowly in invocation for him. We knew that the favour Allah the most High and exalted has bestowed on us, so rely on it

This supplication was related in two ways from Muhammad son of Hammaam that Sheikh Aba Amru Al-Amri (may Allah purify his soul) has dictated it to him and had commanded him to be reciting it during the occultation of the Riser (Al-Qa'im) from (the family of Muhammad (peace be on them

O' Allah, define Yourself to me, indeed if You did not define Yourself to me how could I know You, consequently I will not know Your Prophet. O' Allah define Your Prophet to me; indeed if You did not

define Your Prophet to me consequently I would not know Your proof. O' Allah define Your proof to me, indeed if You did not define Your proof to me, consequently I shall become astray from my Religion

O' Allah don't let me die an ignorant death, and don't deviate me hence You have guided me, O' Allah as You have guided me to the guardianship of whom You have made incumbent for me to follow among the leaders of Your affairs after Your Prophets, may Your blessing be on him and his family, till I pay allegiance to the leaders of Your affairs, the commander of the faithful, Ali son of Abi Talib, and Al-Hasan and Al-Husein, And Ali, and Muhammad, and Ja'afar, and Musa, and Ali, and ,Muhammad, and Ali, and Al-Hasan, and the proof, the Riser Al-Mahdi

.may Your blessing be on them all

O' Allah, make me firm in Your Religion, utilize me in Your obedience and soften my mind for the guardian of Your affairs, pardon me from what You have afflicted Your creation with and make me firm in obedience to the guardian of Your affairs, whom You have hidden for Your creatures, it is with Your permission he is out of sight of Your creations, and he is waiting for Your command, You are the All-knowing who is not taugth of the convenient time for Your guard, by permitting him to manifest his .affair, and to unveil his mysteries

Grant me patient for that, till I did not desired the hastening what You have deliberately delayed and not to delay what You have quicken and I should not unveil what You have covered and I should not search for what You have hidden, and I should not dispute You in Your measures, I should not say how and why

Imam didn't show up while the Earth is filled up of oppressions and aggressiveness, .and I will deputize all my affairs to You

O' Allah I requested from You to show me the guardian of Your affairs, the implementer of Your command, with my full knowledge that You possessed the reign, power, evidence, proof, wishes, might and power. So do that to me and the remaining believers till we see Your guardian, may Your blessing be on him and his family, whose essay is apparent, whose evidence is clear, who is guide from

going astray, free from ignorance, O' my Lord bring him out for viewing, make his pillars firm, make us among those that if he sees, he will be delighted and establish us
.for his service, seize our life in his nation and resurrect us among his group

O' Allah protect him from the evils of all You have created, initiated and designed. Preserve him from his front, back, right, left, up and down with such preservation that doesn't get lost, and preserve also Your Prophet, and the trustee of Your Prophet peace be on them. O' Allah, prolong his years and increase his life span, assist him for
,what You have confer on him

increase Your favour on him, indeed he is the guide, Al-Mahdi, the riser who is on the right path, the pure, the clean, the pleased one ,the patient, he who give thanks and
.the struggler

O' Allah, don't deprive us of the certainty during the long period of his occultation, and don't cut off his information from us, don't let us forget his remembrance, his awaiting, believing in him with strong certainty for his reappearance, praying and seeking blessing for him, till we did not discourage of his reappearance after his long occultation, let our certainty in his coming be like that of the rise of the holy Prophet,
.blessing be on him and on his family for what he has brought in Your revelation

Strength our faith in him, till You pass us through his hand to the right path, great
target and

moderate means, strengthen us in his obedience and make us firm in following him, make us among his soldiers, helpers, assistant who are pleased with his action. Don't deprive us of that in this our life, and even during our death till You take our life in this situation of certainty of not doubting, or disloyal, or distrustful, or denying him

O' Allah! Hasten his relief, and support him with victory, help his helpers and abandon whoever forsake him and destroy those that declare hostility and lied against him, ,manifest the fact through him

eliminate oppressions through him and rescue Your believing servants from debasement through him, revive Your nation through him, destroy the arrogant unbelievers through him, break the heads of perversity through him, and degrade the arrogant and the unbelievers through him

Another time I saw the awaiting proof (peace be on him) and said to me: offer the supplication I have given it to you and you .should teach those that are in need of it

Consequently, I have implemented it several times and have seen a quick acceptance, then the supplication get out of my hand for some times and I seriously regret of its lost by seeking pardon from Allah for my bad deeds, later an unknown person cane to me telling me that the supplication fall from me in certain place, and it did not cross my mind to go to such place, I took my supplication and observe a :thanksgiving prostration to Allah, the supplication is as follows

SEEKING FOR MEANS (TAWASSUL) THROUGH OUR MASTER, THE LEADER OF THE
.(TIME (peace be upon him

It was

quoted in Qabsil Misbaah, brief supplication for seeking means through our master,
:the leader of the time, peace be on him as follows

O' Allah! I am seeking from You, by the sake of Your guardian and Your proof, the leader of the time to assist me in all my affairs and prevent me against every thing harmful, oppressors and aggressors, assist me because all my struggles has exhausted, suffice me against all my enemies, anxiety, debt, my descendant and all my families including my brothers and all those that their affairs concerns me, (Amen)
.the Lord of the worlds

It was said in "Jannatil Khulud" surely the key and successfulness against the enemies during the days of war and other days and paying off debt is base on seeking means through the leader of the affairs (may our souls be sacrifice for him) with the
.above mentioned supplication

[٧٠]

SEEKING FOR MEANS THROUGH HIM PEACE BE ON HIM, IN EVERY DIFFICULT
.ISSUES (YA- FAARISAL HIJAZ

O' the horseman of Hijaz take me over, O' Al-Mahdi, the father of all goods take me over, O' the father of Al-Qasim take me over, take me over and don't let me down
.because I am weak and distressed

[٧١]

.(ANOTHER SEEKING MEANS THROUGH HIM (may our souls be sacrifice for him
.(O' THE LEADER OF THE TIME)

It was related that whoever is affected with grief, distress and trouble should recite
:the following (٧٠) seventy times

O' Allah, O' Muhammad, O' Ali, O' Fatimah, O' the leader of the time, take me over"
."and don't destroy me

ANOTHER SEEKING OF MEANS THROUGH HIM PEACE BE ON HIM

It was said in Tuhfa Arridawiyah: you should sent blessing to the Prophet (ﷺ) one hundred times after the recommended (Nafila) after Magrib prayer, and then you .recite the following supplication (ص) seventy times

O' Allah, O' Muhammad, O' Ali, O' Fatimah, O' Al-Hasan, O' Al-Husein, O' the leader of" .the time, take me over, O' the leader of the time

After that you send (ﷺ) one hundred blessing to the Prophet (peace be on him and .his holy progeny) and put forward your requests

.Sayyid Allamah Al-wahid mentioned that it was tested for achieving important issues

CHAPTER EIGHT

ON WRITING LETTER TO IMAM

Writing letter to Imam is among the effected means and it has tremendous and surprising effects, because our master as it was narrated is strongly pitiful to his well-wishers. I have personally in several occasions written letter to him (peace be upon .him) and I saw a tremendous and surprising effect

HOW TO WRITE LETTER TO OUR MASTER, THE LEADER OF THE TIME (peace be .upon him

Write all that we shall mention and drop it in any of the tomb of the Imams (peace be on them) or you wrap it and cover it with pure soil and drop it there, or you throw it into a river or deep well or into a pond of water, surely it shall reach the leader of the .time peace be on him, he shall personally take control of your demands

:Write the following

,In the name of Allah, the Beneficent

.the Merciful

O' my master, I write to you peace be upon you seeking for assistance and complaining of what has befallen on me by seeking refuge from Allah, I am also seeking from you, for the issues that has befallen on me and disturb my mind and make my thinking so deep which has seized part of my mind and has changed important blessings of You (Allah) on me, my intimate friends abstain from me when the imagination appears before me and also my cherished ones denounce me when it approaches me while my deceit is not able to defend me, for me not possessing patient and my powerlessness has prevented me from having endurance

Then I have recourse to these issues to you, and have depended on Allah whose praise is more exalted and unto you the turning away of all the problems from me, knowing your exalted rank before Almighty Allah, the Lord of the worlds. He who directs every thing and the Owner of every affair, having trust in you for your quick intervention to Allah for my affairs, having the certainty of its acceptance from you and granting of my request

O' my master, it is you who can put my assumption into reality and make true all my hope in the following issues

(You mention your needs)

Hence I don't obtain the power and patient to attain it, even though I might be entitled to it and even more of it but due to my evil deeds and negligence in my

.duties to Almighty Allah, I was debar of it

So, O' my master may Allah's blessing be on you, assist me for I have regretted my previous bad acts and tender my affairs to Almighty Allah before it is too late and .before my enemy commence rejoicing upon me

By your grace may Almighty Allah spread His blessing on me! I requested from Almighty Allah a precious assistance and near victory that contain reaching my ambition, good fundamentals, good ending and security from every fearful things all the time, verily His praise is exalted and He act according to His wish. He suffices me .and excellent authority in commencement and in consequences

Then you intend going to the river or any deep valley and rely on some of the doors, like the door of Uthman son of Sayyid Al-Amri, or the door of his son, Muhammad bn Uthman, or Al-Husein bn Ruh or Ali bn Muhammad Assamari (may Allah be pleased with them). Those are the doors of Imam Al-Mahdi (may Allah's blessing be upon him) you mention one of them when intending throwing the letter and say the following

O' [You mention the name of one of the deputy of Imam] peace be unto you, I bear witness that you died for the sake of Allah though you are alive and obtain your provisions from Allah, I addressed you base on your live before Almighty Allah as a trustworthy one, you should deliver this my letter and request to our master peace be on him and his

.holy family

Then you throw it into a river or a deep well or pond, your request will be granted by
.Allah's wishes

Allamah Majlisi included after his saying "then throw it in to a river ..." you imagine as
if you are delivering it to him, it shall reach him and your request shall be granted by
.Allah's wish

A narrator by name Nuri said: it can be deduced from this noble tradition that these
four great noble men who are the intermediaries between him and his followers
during the lesser occultation do take people's request to him and deliver their
answers back to them, they also maintain the same position during the longer
.occultation

From this direction we can understand that Imam's table of goodness,
openhandedness, generosity, favour and benefaction (peace be upon him) is spread
to every spot of this Earth for those that are weak, those that are in difficulties and for
.those that are roaming about without getting the right path and so on

When an ignorant person requested from him, he shall drink from his noble
knowledge, if one loses his ways, he shall guide him to his way, when one is sick, he
.shall wear him the cloth of healthiness as it was clearly stated from the beginning

The out come in this respect is that the leader of the time (may our souls be sacrifice
for him) is present between the servants and overlook his followers, and he is able to
detect afflictions and he is acquainted with all hidden

.and secrets, he did not secluded himself from his position due to his occultation

CHAPTER NINE

.(ON ISTIKHARAH (REQUESTING FOR WHAT IS BEST

Sayyid Ali bn Taus said: I have found Istikharah among the supplication of the Prophet (peace be on him and his holy progeny) and the Imams (peace be on them) said that there is a divine power behind it. I have also found that Istikharah is among the mysteries of Allah. He discloses it to the Prophet (peace be on him and his progeny) when He ascends him to the Heaven

I have also found the latest form of Istikharah supplication from our master Al-Mahdi peace be on him and his pure fathers. This is a complete prove among the learned ones

[۷۴]

.THE FIRST ISTIKHARAH (REQUESTING FOR WHAT IS BEST) USING CHAPLETS

I saw in some ancient book this Istikharah which was ascribe to our master, the leader of the time, peace be on him

In the first place you recite Surah Al-Fatihah till you reach His saying {guide us to the right path} after reading this verse, you send blessing to the Prophet and his pure progeny for (۳) three times, and recite the following

three times "O' He who knows, guide he who knows not" then hold any part of your (۳) chaplet and started counting it till the end of the chaplet, if the last one is in odd number, you can go ahead with the issue but if it is even number you desist from the issue

If you still desired to know more

about the issue you observe second Istikharah with the intention of abandoning the issue, if the first Istikharah was go ahead and the second Istikharah is abstinence then going ahead is good, but if the first Istikharah was abstinence and the second .one is going ahead, then doing such thing or leaving it has no any difference

Is also applies that if the first Istikharah was abstinence and the second Istikharah is .also abstinence, then it is incumbent to completely abstain from the issue

[٧٥]

.SECOND ISTIKHARAH WITH CHAMPLET

The author of Jawahir said: there is another common Istikharah among the people of our time. Perhaps it was attributed to our master Al-Qa'im may our souls be sacrifice :for him, as follows

To grasp the chaplet after reciting the supplication and start dropping it eight one after the other, at the end if the chaplet remain one, the issue is good, if it remain two, it is one abstinence from the issue, if it remains three, you have the option whether to do it or to leave it, if it remain four, it is abstinence twice from the issue, if it remains five, there shall be difficulty on the process, if it remains six, it is good to go ahead and it also necessitate quick action, if it remains seven, it is like if it remains five and if it .remains eight, it is abstinence from the issue four times

CHAPTER TEN

.ON PRESERVATION OF AL-YAMANI AND HIS STORY

We have chosen in the tenth chapter of this book the preservation

of Al-Yamani which was narrated from the commander of the faithful (peace be upon
him).

Al-Ameer Ishaq Al-Istrabadi said: I read this preservation and it was amended by our
:master, the leader of the time, peace be on him, the following in his sayings

.THE STORY OF PRESERVATION OF AL-YAMANI

On my way too Mecca, I fell sick and I was left behind the caravan, then I was tired of
life and I lied down like some one who is about to die, I then commence reading the
(shahada) words of testification of Allah, surprisingly there our master and master of
the worlds and Allah's ambassador on the entire men came over my head and said:
"O' Ishaq stand up, I stood up while I was feeling thirsty, he supply me with water and
take me by his back, then I commence reading this preservation, he (peace be upon
him) amended it for me till I conclude it, when I reach a valley, I drop down and he
."disappears from my sight

[۷۶]

.PRESERVATION OF AL-YAMANI

In the name of Allah, the Beneficent, the Merciful. O' Allah! You are the real King, there
is no god except You, I am Your servant

who has oppressed himself, I am confessing my sins and no one pardon sin except
.You, so pardon me, O' the Forgiver, the Praise worthy

O' Allah! I appreciate Your bounty on me, really You deserve appreciation for what
You have specialize for me in endowment and aspirations, and what reaches me
,among Your abundant favour and Your benefactions

You dwell me in justice and Your favour which has also reach me, among the favour You bestowed on me was Your defending me at all condition, You have also granted .me success and answering of my call at any time I call upon You

I call You connectively and I ask You but I met You to have comforted me in every aspect, and You look over all my affairs, You have pardon all my sins, You have covered all my nakedness, I am not lack of Your benefaction since I descend to this house of choice, then what shall I present to You on the Day of Judgment? I am Your freeman in every lost and misfortunes, in grief and dejections for which anxiety and different categories of afflictions has overcome me, and remove all the pains decided on me, I don't remind anything from you except courtesy and I did not envisage in You except favour. Your benefaction encompasses me, Your favour is continuously pouring on me, Your blessing on me

is connected, the antecedent didn't establish my caution rather You confirm my hope and accompany my journeys and You honoured my present and cured my sickness and feebleness, You also pardon my recourse and my dwellings, and my enemies were not able to rejoice upon me, You should afflict those that desired to afflict me, .and You suffice me the burden of those in enmity with me

My praise on You is continuous and my commendation on You is everlasting from time ,to time

with varieties of glorification and sincere remembrance, pleasing with Your obvious Oneness and Your sincere exaltation in multitude, which increase peoples merit, which did not toil your strength and it didn't associate with Your divineness, You are not known to be hydrology till various things possess similarity, You are not seen with eye when You hold thing from their instinct, and imagination can never go beyond hidden covers, belief in You is limited to Your tremendousness, deep imagination cannot perceive You, deep thought cannot accomplish You and vision can't reach You in the glory of Your omnipotence. The attribution of Your strength is more exalted than that of Your creatures, and Your tremendousness is more exalted than that, no one decreases what You desired to increases and no one increases what

You desired to decreases, no one made You punctual when creating the souls, the imaginations is too weary to describe Your attributes, the senses is are too abate to give the true nature of Your sublimity, how could You be described while You are the Omnipotent and the most Holy, Who did not seize to be everlasting in Your oneness .which there is none beside You and there is none like You

Different profound of creeds and thoughts are perplexed in Your kingdom, the entire kings are humble due to Your solemnity, every face yield in humbleness due to submissiveness to You, and every thing comply to Your tremendousness, and all thing surrender to Your Mightiness, and all head succumb to Your Will, thought of any

thing beside that is just a language composition, and some went astray due to direction in vicissitude of attributes, whoever ponder on that shows that his shortsightedness, and dazzle of his sense and puzzle in his thought

O' Allah! You owned continuous, consecutive, consistent and firm thanks, one who is not missing can't perish in the kingdom, and there is no obliteration on the milestones and no debase in cognition, You own commendation which its exaltedness is not known in the night when it turns back and in the morning when it is beaming And in the land and sea, in the early morning and before sun set, in the evening and early morning, and in the noon and early dawn. O' Allah! With Your prosperity You have granted me inclination and having putting me among

the allegiance of the infallible ones, yet I have not accomplished Your bounties and Your sequence preserved favour, Your inaccessibility and defense in You and You have granted it to me in my dwelling and recourse, You have not charged me more than my capability, hence You are not pleased with me except my obedience

Not my thanksgiving even though I culminate in my sayings and actions can give Your right to You, and there is no any equivalent to Your favour, because You are Allah and there is no god except You. You are not absent and nothing is absent to You, and all things that are hiding are not hidden to You , and nothing can be hidden to

You in the hidden darkness, it is Your command that if You wish anything to be You
.say be and it become

O' Allah! You own the praise which You praised Yourself, and those that praise You,
and those that commend You, and those that proclaim Your greatness and
tremendousness, may commendation to You be equivalent to every twinkling of eyes,
the least of that is the praise of those that praise You, and the Monotheism of
different categories of the sincere ones, and the dedication of all the categories of the
cognizant ones, and commendation of every one that glorifies You, equivalent to Your
knowledge of all the creatures among the animal, I desired the opportunity You have
granted me to converse Your glorification, how little the responsibility You made
incumbent out of Your Right on me! And it is so great what You promise me for giving
.thanks to You

You commence bestowing upon me with bounty, favour and strength and
commanded me to give thanks for the right and Justice that was bestowed on me,
and You promise to give double and additional return of that to me, You granted me
favour out of Your provision and requested little out of that from me, You take
afflictions away from me and You didn't surrendered me to Your tribulations due to
the good health granted to me, and You have permitted honour from the bees, and
has double favour on me from my deposited noble destination and has made easy an
exalted rank for

me, and has chosen for me the great out of the Prophets, the best of them in intercession, Muhammad, may the blessing of Allah be upon him and upon his .progeny

O' Allah! Pardon me in all that is not encompassed except Your forgiveness, and the sin that cannot be wiped out except with Your pardon, and the sin that cannot be remitted except by Your grace, grant me on this very day the certainty that shall facilitates for me the calamities of this world and its sorrow due to my yearning in You, and my desire in You, O' Allah write forgiveness for my sins with You, and grant me favour, grant me the opportunity to give thanks for what You have bestowed on me, verily You are Allah, the Only, the Exalted one, the Beginner, the Magnificent, the All-seeing, the All-knowing whose command cannot be rejected and no one can abstain from Your judgment, I bear witness that verily You are my Lord and the Lord of everything, the Creator of the Heaven and the Earth, who has the knowledge of every .obvious and hidden things, He who is the Great and the Exalted one

O' Allah I requested firmness in my affairs from You, and determinations in guidance, and appreciation of Your bounty on me, I seek refuge in You from the evils of the evil doers and the oppression of the oppressors, and the envy of the envious ones, through You I gained power over my enemies and through You I hope for

the allegiance of the uncountable well-wishers, Your branches of favour and provision cannot be counted, and the variety of Your assistance that You has bestowed on me, surely You are Allah, there is no god except You, You spread Your assistance among the creations who is openhanded in generosity, and no one contradict Your judgment and no one disputed with Your commandment, You possess what ever You desired among Your creatures, and no possessions except what You wishes

say, O' God, master of the kingdom, Thou givest the kingdom to whom Thou wilt, and} seizest the kingdom from whom Thou wilt, Thou exaltest whom Thou wilt, and Thou abasest whom Thou wilt, in Thy hand is the good; Thou art powerful over every thing. Thou makest the night to enter in to the day and Thou makest the day to enter into night, Thou bringest forth the living from the dead and Thou bringest forth the dead from the living, and Thou providest whomsoever Thou wilt without reckoning}. You are the Benefactor, the Generous, the Creator, the Originator, the Most Powerful, the Mighty, the Holy one in the light of sanctity, You are covered with Glory and prestige, You are being glorified with pride

and covered with light of Magnificence, and glorified with dignity and sublimity, You owned the pre-existent favour, and the high kingdom, You are vast in generosity and competent in power, You made me among the best of Adam's children by making me to hear and see, excellent, sound and healthy. You did

not engage me with defects in my body; hence Your honour did not deprive me of that. How excellent work You have done to me! And how excellent Your good bounties on me! You have broaden things for me in this world and has honoured me with a lot of things in it, You have given ears to me for hearing Your verses and mind to think over Your Mightiness, I am very grateful for Your favour and I am grateful for my .certainty in You, and I have witness Your Right

Verily You exist before any existence, and shall exist after every existence, the Existed one who did not benefits from other existence, at any time Your bounties did not stop falling on me even a twinkle of eye, and Your resentment punishment did not fell on me, and Your protection on me never change, even though I did not remember Your benefactions save Your pardon and acceptance of my prayers when I raise my head in Your commendation and glorification, and portion of the provisions when You evaluated it. Praise be upon You equivalent to the encompassed number in Your knowledge and equivalent to the number of things encompassed by Your strength .and equivalent to the number covered by Your Mercifulness

CHAPTER ELEVEN

.(ON ZIYARAH (VISITING THROUGH SUPPLICATION

THE RECOMMENDATION OF (Ziyarah) PAYING VISIT TO OUR MASTER, THE LEADER .OF THE TIME (may our souls be sacrifice for him) AT ALL TIME AND PLACE

Allamah Majlisi

may Allah have mercy on him) said: Be aware that it is recommended to pay visit to) him (peace be upon him) at all place and time, and in the holy Tunnel and in the tombs of his great grandfathers (peace be on them). It is also recommended in the holy time like eve of his birthday that middle of the holy month of Sha'ban and on the Night of .power (Leilatul Qadr) which the Angels and the pure souls shall be descending

:It is incumbent during the Ziyarah to concentrate on the followings

Firstly: when you are opportune to be at any of the sacred tomb of Ahlulbayt (peace be on them) or any other holy places, the person who was opportune should be able to offer supplications for his presence in the places of concentration to Almighty Allah, he should offer the supplication for the quick reappearance of the leader of the time (may our souls be sacrifice for him), one should persist in such lively duty in every .visited holy places

Secondly: it is possible for any one to visit the leader of the time (peace be upon him) at any desired place, then it is better after visiting any holy and sacred places to concentrate in Imam's (Ziyarah) visit, by his reciting the Ziyarah his heart shall be .clear while he observe his duty

DONATING THE RECOMPENSE OF ZIYARAH TO OUR MASTER, THE LEADER OF THE .(TIME (may our souls be sacrifice for him

It is good to donate the recompense of Ziyarah to

the Prophet (peace be on him and his progeny) or any of the Imams (peace be on them).

Sheikh has narrated through the chain of Daud Assarmi, I said to Abu Al-Hasan AL-Hadi (peace be upon him) that I have visited your father and have donated the reward to you, he (peace be upon him) said: Thanks for that, may Allah reward you greatly.

Base on this, this time that our master, the leader of the time (may our souls be sacrifice for him) is out of sight, and there is no specific time for his reappearance more so the well-wishers were not able to visit the sacred place that is attached with him (peace be upon him) like his holy Tunnel, Kufah Mosque, Sahlah Mosque, the holy Mosque of Jamkaran, then one can regain this great lost by donating the rewards of his Ziyarah in other holy places to him (peace be upon him). It is also possible to read his Ziyarah in the holy places for nearness to Allah and to incur Imam's consideration to himself.

Perhaps his consideration has reached a lot of well wishers to Ahlulbayt peace be upon them through his holy Tunnel likewise through other holy places that was mentioned in various books.

(We shall mention some of his Ziyarah (peace be upon him)

have set down a custom and have quenched temptation and has called to the guidance,
.and has explained the appropriate path, and have really strive for the course of Allah

You have really obeyed Allah and has followed your grandfather, Muhammad, may Allah's mercy be upon him and his family, and has given listening ears to the sayings of your father, and has hasten the implementation of your brother's Will, you have raised the pillars of Religion and has subdued the aggression, you have striking the aggressors, and has admonished the nation, you have glorify Allah during the point of death, you have combated the hypocrites and has established the proves of Allah, you have showed mercy to Islam and the Muslims, you have assisted the truth, and you are tolerant when tribulation befell on you, you have guard the Religion from vanishing and you has purpose for its institutions, you guard and assist the guidance, you establish and propagate justice, you assist and manifested the Religion, you stop and warn the fribble ones, you collect from the rich for the poor

.and make equality between the strong and the weak ones

You are the vernal of the orphans and protector of mankind, and pride for Islam, the resources of Islamic laws, the ally of benefits, you have treaded the path of your father and your grandfather, your Will is like that of you brother, who has fulfill the right, whose custom is pleased, who manifested his generosity, who struggle in the darkness, the orthodox of the

right path, the liberal in morals, having great previous record, the one with noble lineage and exalted ancestry, the possessor of high rank and many virtues, whose exemplary is praised and the possessor of abundant gifts

O' the tolerant, the guide and the repentant, the generous, the knowledgeable one, the strong and the leader of the martyrs. O' the repentant, the most loved one and the dignified one. You are the son to the Messenger, may Allah's blessing be upon him and his holy family, you are the source of the Qur'an and supporter to the nation, you have struggle in obedience to Allah, the preserver of promise and covenants, who has been afflicted in the ways of eradicating hypocrites, and has give all his best in struggle, who stay long in his bowing and prostrating to Allah. He who has disinterested himself from this world like the one going out of it, he envisage it as if he is scared of it, your hope in it is behind and has taking away your zeal from its adornment, your reservation on its delectation is sealed and your desire for the world .Hereafter is known

Till oppression spread its commodities and unveil its mask, and temptation call on its followers, while you dwell inside the sanctuary of your grandfather, and distanced yourself from the oppressors, sitting down in the house and in the prayer (Niche) secluded from pleasure and appetency and denounce atrocities with heart and tongue base on your strength and ability, till your knowledge after the

denunciation make it incumbent for you to fight the aggressors, then you commence the journey with your children, family, followers and those that paid allegiance to you, and declare the truth and testimony and you call on to the path of Allah with wisdom and good exhortations, you have commanded the establishment of the bound of Allah and obedience of the creator, and you have forbade people from evils and .oppressions, they afflicted you with their oppression and aggression

So you strike with them after you have exhorted them, and reconfirm the proves against them, then they violate your leadership and allegiance, and they discontented your Lord and your grandfather, and they wage war against you, you confirm their stabbing and striking with swords before you commence stabbing the armies of the indecent and mischievous ones and burst out the tube of dust fighting with Zil-fiqar .(the sword of Imam Ali) as if you are Ali the chosen one

When they saw that your heart and soul is firm without fear and scared, they set up their hatred on you, they kill you with their deceptions and evils, the cursed one ordered their soldiers to prevent you from water and even abstaining you from entering into its scene, and they weaken you from fighting and hasten you

with battle, they strike you with arrows and darts, they stretch their plucking hands unto you and they did not observe your leadership on them, they did not observe that they have committed sins for their killing the royal

one, and plundering of your luggage, you preceded them in the soil and perhaps you
.may envisage harassment, the Heavenly Angels were astonished of your tolerant

Then they surrounded you from every corner and consistently wound you and they
separated between you and your soul, they did not leave any helper for you, you are
considered as the most tolerant while you are dissolving from your women and
children till they inverted you from your generosity, then you incline towards the Earth
with all your body wounded, the horses are matching on you with its leg and the
.mischievous ones fell transcendence on you

Verily your forehead has then propose death while your right and left sides has differ
in depression, you turn little to your property and your home, then you are busy with
your children and family, then your horse quickly run away aiming towards your tent
crying, when the women saw your horse in sorrowful situation, and saw the horse
saddle being twisted, they came out of their tent, spreading their hairs on their cheek
beating their face and unveiling their face, lamenting and crying out of grief saying
.after honour a dishonour, and you quickly lie in peace

By then Shimir was sitting on your honourable chest and has set his sword on your
neck, holding your beard with his cursed hand while cutting your blessed head, then
your sense organ has rest and your blessed soul has concealed, they raise up the
canal of your head and take over your family as captives

and prisoners of war and like slaves and being handcuffed from iron chain, on top of the conveying animals with out saddle while their face are searing by the heat of the Sun, they convey them from one city to another while their hands are tired over their .necks, they circumambulates them round the markets

Woe unto the aggressors and hypocrites, they have kill Islam by your martyrdom and suspended prayers and fasting, they violated the customs and Islamic laws and destroy the pillars of faith, they falsify the verses of the Qur'an and they resorted to .aggression and oppression

The Messenger of Allah, may Allah's blessing be on him and on his family has become lonely and they migrated from the Book of Allah, they leave the truth apart when it was subdued. Proclaiming the oneness of Allah and glorifying His greatness was also missed due to your missing, likewise the forbidden and lawful things, revelation and interpretation are not correctly implemented, and after you, a lot of changes and alterations emerged, likewise infidelity, suspension of Islamic laws also emerged, everyone then follow his desire and the astray path including temptation and .falsehood

The announcer of your martyrdom stood at the holy tomb of your grandfather, the Messenger of Allah, may Allah's blessing be upon him and upon his holy family, they announce and shed tears like shower saying O' the Messenger of Allah, they have martyred your grandson

and they legalize punishing your family and sanctuary, they made your descendant captives of war after you, and adversity

O' Allah! Retaliate for me against my oppressor and hasten the relief of the holy family
of Muhammad and destroy their enemies among the Jinn and men, and pardon all my

Make provision for us through them the best of our aspiration and the best of what
we did not aspired, and divert from us through them the scared and the unscarred
evils, verily You possess power over all thing and You are the Most Noble of the noble
.ones

.SUPPLICATION OF KHIDR (peace be on him) KNOWN AS SUPPLICATION OF KUMAIL

O' Allah! I ask You by Your mercy which encompasses all things, and by Your strength
by which You subjugated all things, and all thing subdued to it, and before which all
thing are lowly, and Your Omnipotence by which You subdued all thing, and Your
Glory by which no one can resist, and Your tremendousness that filled all things, and
Your kingdom which exalted all things, and Your eternal face which exist when all
,thing cease to exist

and by Your Name that filled the pillars of all things, and by Your knowledge which
encompasses all things, and by the light of Your exalted face which illuminates all
things, O' the Light! O' The holy one, O' The first of those who are first, O' the last of
.those who are last

O' Allah! I seek Your pardon from the sins which tear apart safeguard, O' Allah! Pardon
me of the sins that draw down adversity, O' Allah! Pardon me of the

sins that changes Your bestowed favour, O' Allah, pardon me of the sin that hold back supplications, O' Allah, pardon me of the sins that descend tribulations, O' Allah, .pardon me of the sins I have committed and all the mistakes I have made

O' Allah! I seek nearness to You through Your remembrance and I seek for intercession through You to Yourself, and I requested from You by Your kindness to take me closer to Your proximity and grant me appreciation towards You, and ,inspired Your remembrance in me

O' Allah! I requested from You the requisition of a humble, abased, and scared man to pardon and have mercy on me and make me satisfied and contented with Your .apportionment and to be humble in all conditions

O' Allah, I am asking the request of him whose indigence is very intensive and has come to You due to the difficulty in obtaining his needs, and his desire in what is before You is very great. O' Allah! Your kingdom is great and Your place is exalted, and Your plot is concealed and Your order is obvious, and Your face is overwhelming .and Your power is applied and it is not possible to escape Your government

O' Allah! I didn't get who can pardon my sins, and no one can conceal my ugly acts, and no one can change my evil deeds to good ones except You, there is no god except You, Glory and praise be to You, I have cheated my soul and have courageously offended

You due to my ignorance, and have depended on my ancient remembrance of You,
and Your favour on me

O' Allah! O' my master, how many of my ugly act You have concealed! How many
tribulation You have diverted away from me! How many stumble You have prevented
from me! How many misfortune You have defended! How many praise You have
!spread for me which I didn't possess

O' Allah! My tribulation is great, and my bad condition is excessive, and my deeds are
inadequate, and my fetters has tied me down, and the farness of my hopes has
prevented me from benefiting, this world and its delusions has deceived me, including
my soul, its offences and my delay in obedience to You, O' my master, I ask You by
Your Mighty not to allow my evil deeds veil my supplication from reaching You, and
don't disgrace me for my secret that is known to You, and don't hasten Your
punishment on me for the evil acts I have secretly do, and my continuous negligence
and ignorance, and too much of my self desire and forgetfulness

O' Allah! By Your mightiness, be kind to me in all my condition and to be gracious to me
in all my affairs, my God! My Lord! I don't have anyone beside You I will ask to remove
my afflictions and to look into my affairs

My God! My master, You have pass decree on me for what I have followed the desire
of my soul and did not remain wary of

adorning my enemy, what I decided has deceived me and have make it happy of that decree, and I have transgress due to that some of Your limits, and have disobey some .of Your commandments

So praise be to You for that, and I don't obtained any argument for Your decree passed on me, then O' my God! I have came to You after all my negligence and immoderations towards myself, in a state of apology, regretting, breaking, excusing, seeking for forgiveness, repenting, confessing, succumbing, and acknowledging, I don't have any place to flee for what occurred from me, and no place for me to held to .except You accept my excuses, and enters me into the vastness of Your mercy

O' Allah! Accept my excuse and have mercy upon the intensiveness of my affliction and free me from the tightness of my bond, O' my Lord! Have mercy on my weak body and the thinness of my skin and slenderness of my bone, O' He who commence my ,remembrance, my training, goodness to me and nourished me

.bestowed on me the beginning of Your generosity and Your previous goodness to me

My God, my master, my Lord, shall You see me punished with Your Hell fire after I have proclaimed Your unity! And after my heart has acknowledged and embrace You! And my tongue has constantly remembered You! And the conviction of my mind for Your love, after the sincerity of my acknowledgement and supplication in humbleness to Your Lordship! It is impossible, for You are more

generous to forfeit whom You have trained or to distance whom You have taken closer to You, or to drive away whom You have dwelled, or to submit to tribulation he
!whom You have suffice and showed Your mercy on

O' my master, my God, my Lord, I don't think You will surrendered the face that has fell down in prostrating for Your tremendousness, and the tongues that has sincerely uttered Your unity and giving thanks for Your praise, and the heart that has sincerely confess Your Lordship, and the minds that became scared of You after Your acknowledgement, and the joint that has strive for Your worship due to
.submissiveness, and has indicates Your forgiveness in submission

No I don't have such opinion upon You, nor has such been reported of You, O' the most Generous! O' my Lord, You know my weakness regards little tribulation of this world and its punishment, and its ordeals with its inhabitants, even though the ordeals and tribulations stays little, its persistence is few and its time is very short, so how then can I endure of the tribulation of the Day of Judgment and the great ordeal that
!occurs in it

Verily it is a long time tribulation and its station is eternal, and it is not lessen for its inhabitant, because such tribulation is due to Your wrath, vengeance and annoyance, this is what the Heaven and the Earth cannot withstand, O' my master, then how
!about me, Your weak, abased, inferior, wretched and submissive slave

,O' my God

my Lord, my master and my protector, which of the issue do I complain to You? And which of them do I lament and weep? Due to the pains and the intensive of its punishment or for the length and persistence of the tribulation, so if You turn me together with Your enemies to punishment and join me with the inhabitant of Your tribulation, and separated me from Your beloved ones and saints, O' my God, my master, my protector, my Lord, supposing I am able to bear Your punishment, how do I bear Your separation? And supposing I am able to bear the hotness of Your Hell fire, how can I bear not to envisage Your generosity? Or how can I dwell in the Hell fire
?while my hope is in Your pardon

O' my master, my protector, by Your might, I sincerely swear, if You leave me talking, I will lament to You with the dwellers of the Hell fire, the lamentation of the hopeful ones, and I will cry to You the cry of those that cry for assistance, and I will weep to
You the weep of the forfeiters and I will call upon You that where

is the Lord of the believers, O' the utmost hope of the cognizant ones, O' the helper of those that seek for help, O' the friend of the heart of the sincere ones, O' the lord of
.the worlds

O' my God, Glory and praise be unto You, can You see and be hearing the voice of

a submissive slave imprisoned there in the Hell fire due to his violation? And he is tasting the flavour of its punishment due to his guilt, and withhold within its level due to his crime and offence, and he lament to You the lamentation of those hoping for Your mercy and call upon You with the tongue of those that testify Your unity and
.seek for intercession from You through Your Lordship

O' my master, how will he remain in the punishment while hoping for what he has previously known about Your clemency? Or how should the Hell fire torture him while he is hoping for Your blessing and mercy? Or how could its flame burnt him while hearing him and seeing his condition? And how could its groaning encompasses him while You know his weakness? And how could he be tottering with its level while knowing his sincerity? Or how could its keepers torture him while he calls upon You, O' my Lord? Or could he be hoping for his release due to Your favour and You leave him
?therein

It is impossible, that is not our thought towards You, and that is not Your favour known to us, nor is it similar to the kindness You has shown to those that testify Your unity Including Your goodness, so I certainly declare that, were it not for what has decreed concerning the punishment of those that

denies You, and has decreed the everlasting home of those that opposed You, You
could have make all the Hell

fire cold and safety, and no one will have position and dwelling place in it, but Your Names are holy, You have sworn that You will fill the Hell fire with the unbelievers among the Jinn and men, and those that opposed You shall dwell in forever, and You O' Lord, Your commendation is exalted, You have said from the beginning and You have prolong Your gracious bounty "what? Is he who has been a believer like unto .him who has been ungodly? They are not equal

O' my God and Master, I ask You by the power You has predetermine, and the decision which You has determine and imposed, and You have subdued him towards it has been put into effect, to grant me forgiveness in this night and at this very hour, every crime I have committed, every sins I have committed, and every ugly thing I have relied, even ignorant act I have performed, whether I have concealed it, or I announced it, or have hidden it, or manifested it, and all the evils You have commanded the noble Angels writer to record, those You have appointed to watch over what occurred from me, and make them and my bodily joint a witness against me, and You act as a watcher over me behind them, and witness all that is hidden for them, but due to Your mercy You conceal it, and through Your favour You covered it, I seek from You to bestowed on me share of every good You descended, or

the kindness You have confer, or the goodness You spread, or the provision You have
.unfold, or the sin You have forgiven and the mistakes You have covered

!O' my Lord, O' my Lord, O' my Lord

O' my God, my master, my protector, the owner of my bondage, O' He in whose hand
is on my forelock, O' He who is acquainted with my afflictions and my wretchedness,
,O' He who is aware of my poverty and indigence

!O' my Lord, O' my Lord, O' my Lord

I ask You by Your truth, and Your Holiness, the great of Your attributes and Name to
make my time in the night and day inhabited with Your remembrance and joined to
Your service, and my works to be accepted by You, till all my works and litanies
.became one litany, and let at all condition be at Your service forever

O' my master, O' He upon whom I depend! O' He upon whom I complain regards my
situation

!O' my Lord, O' my Lord, O' my lord

Strengthen all my bodily joints for Your service, and fortify my ribs in determination,
and grant me diligence in Your fear, and continuation in my being join to Your service,
so that I may move easily towards You in the field of the foremost, and hurry to You in
battlefield, and desire nearness to You among those that desired You, and to move
near to You like the sincere ones, and to fear You like the fear of the certitude ones,
and to gather with

.the believers in Your vicinity

O' Allah! Whoever desire evil to me, desire it to him, and whoever deceive me, You
deceive him, and make me

one of the most excellent servant in portion before You, and the nearest of them in
rank to You, and more particular in proximity among them before You, for that cannot
be attained except through Your favour, grant me generousness through You,
liberality, and sympathy with Your glory, and protect me with Your mercy, and let my
tongue continuously remembering You, and my heart enthralled with Your love, be
gracious to me by answering me favourably, pardon my slips and forgive my lapses,
for verily You have decreed Your worship for Your servants, and ordered them to
.supplicate to You, and You assured them of Your acceptance

O' my Lord! Unto You I have turned my face and unto You I have extended my hand,
so by Your Mightiness accept my supplication, and let me attain my aspiration, by
Your bounty don't sever my hope and suffice me the evils of the Jinn and Men among
.my enemies

O' He whose pleasure is quickly achieved! Forgive he who did not owned anything
except supplication, for verily You act as You wishes, O' He whose Name is medication
and His remembrance is cure and His obedience is sufficiency, have mercy upon he
whose capital is hope and his weapon is weeping, O' He whose blessing is in
abundant, O' He who repel adversities, O' the light of the lonely ones in the darkness,

'O

the acquainted one who was not taught, send blessing on Muhammad and on the holy family of Muhammad, and do for me what is worthy of You and may Allah's blessing and abundant peace be upon Muhammad and upon the holy Imams from his household
